Additional information for County Council:

The request from the commissioners is for the money to come from County General.

Presently, there is no maintenance agreement on the HVAC & plumbing systems in the courthouse. There has been numerous instances over the past couple of years when repairs had to be made and paid at that time. From January 1, 2008 until 3/23/10, the county has had expenditures in the amount of

Sycamore Engineering	34,291.05
NRK	37,788.36
Havel	3,067.50
Ameresco	79,710.90

Total 154,857.81

Average expenditures per month 5,735.47. Cost per contract is 2,040.00 per month.

The benefit to the county is by providing preventative maintenance, the county could possibly avoid major expenses because of the lack of maintenance on the system.

Honorable Tim Seprodi Vigo County Auditor

Dear Mr. Seprodi:

Please place this request before the Vigo County Council for attention at their meeting on April 27, 2010.

10.02

I am requesting that an amount of \$15,000.00 be appropriated from the County General Fund and be put into Account No. 432-85 Transportation. At the present time we have less than \$6,000.00 remaining in that account. We are currently trying to negotiate a reduction in the price of removals.

I am also asking that an additional amount of \$10,000.00 be appropriated from the County General Fund and be put into Account No. 437-00 Autopsy. At present we have less that \$6,000.00 remaining in that account.

Thank you for your assistance in this matter.

Sincerely,

Roland M. Kohr, MD Vigo County Coroner

Donna Weger-Office Manager

I have included copies of our accounts that have been paid and the balance at present.

# Vigo County Parks and Recreation Department

March 9, 2010

Mr. Timothy Seprodi Vigo County Government Building Terre Haute, IN 47807

Dear Mr. Seprodi,

The Vigo County Parks and Recreation Department would like to be put on the next available Vigo County Council call. We are requesting a transfer of funds within our non-reverting operating fund. \$5,000.00 was deposited into Miscellaneous, #121-42430 on February 26, 2010. We would like to have the full deposited amount transferred to Facility Improvements, #121-44100.

These funds were obtained through a settlement with Rose-Hulman Institute of Technology for a vandalism incident that occurred within Hawthorn Park in October of 2009. The funds will be used to reconstruct two gates/fences that were damaged; funds will be spent in 2010.

I am happy to answer any questions that you may have regarding this request for transfer.

Sincerely,

Kara S.Kisi

RE: Indiana Youth Institute Grant Money

DATE: March 22, 2010

Vigo County CASA has been awarded \$2,085 to help defray the cost of our National CASA Conference which is to be held on April 16-19, 2010 in Atlanta, GA.

I am asking to create a separate line item in the CASA 323 account entitled Conference Expenses – IYI Grant to allow for proper documentation and accounting of these funds to Indiana Youth Institute. I am also asking to be allowed to spend this amount for the expenses incurred by travelling to the National CASA Conference.

Receiving this grant allows the CASA program to save this amount in our original budget that was allotted for travel.

I have attached the award letters and copies of the checks for your perusal.

Thank you for consideration of this request.
