xiii. Additional Appropriation 2024-13: ARPA Grant Fund - Sheriff

This matter had been discussed at the Sunshine Meeting. Travis Norris said that he had reached out to the Sheriff's Department about their current inventory and had gathered the following information. Since January of 2023 through today, there were 658 transports done, 2 trips to Arkansas, 20 to Illinois, and 2 to Kentucky. Non-scheduled hospital details through the same dates are 249 inmates sent out urgently with a total time spent on these being 165 days, 20 hours, 8 minutes. One of the hospital details lasted 43 days and was in Indianapolis. That particular detail placed 20,665.8 miles on the fleet driving back and forth. Court transfers average 28 trips per week to the Court House. In conjunction with the Courts, they are working on using the court space in the current jail to cut down on some of these trips which will help with reduction of time and mileage. All vehicles have 150,000 plus miles with the exception of two. It is hoped to see some reductions with the use of the court space located in the new jail. Council had no further questions. xix. Additional Appropriation 2024-19: E-Share Asset Forfeiture - Vehicle

This was explained at the Sunshine Meeting. Aaron Loudermilk had to leave the Sunshine meeting when this was presented and asked if this was a reimbursement. He also asked if the Department already had the vehicle in its possession. Officer Derek Fell said they did have the vehicle but no payments had been made. Councilman Loudermilk asked if this request was not approved if there was backup plan on how to pay for it. Officer Fell said it would have to be paid out of Commissary. Officer Fell did not know how long they had the vehicle but said it was not very long. This vehicle would go to one of the two officers who had been added at the beginning of this year. One of those

officers would be going back to Investigations and would need an unmarked vehicle to drive. Council had no further questions. Vicki Weger made a motion to approve Additional Appropriation 2024-19. Nancy Allsup seconded the motion. Upon a voice vote of 5-1 with Aaron Loudermilk voting nay, the motion carried.

xx. Amended Salary Ordinance 2024-20A: Sheriff – Captain Position

This had been explained at the Sunshine Meeting. President Thacker gave a brief review of what it entailed. Chief Deputy Auditor Cheryl Loudermilk said the stipend for the captain was inadvertently omitted during the budget process for 2024 and this will address that issue. There was a brief discussion. Councilman Loudermilk asked if Captain was a merit position. Officer Derek Fell said captains are appointed positions through state statute. It is a merited full time deputy. This is not an added position, it is a change in title. Councilman Loudermilk asked if the appointment had already been made. Officer Fell replied that there is someone filling that role (the job description and duties) but the position cannot be funded without Council approval. They have been doing this job for 2-3 weeks. Vicki Weger made a motion to approve Amended Salary Ordinance 2024-20A. Marie Theisz seconded the motion. Upon a voice vote of 6-0, the motion unanimously passed.

xxi. Salary Ordinance 2024-21A: Courts – Budget Adjustment

This matter had been discussed at the Sunshine Meeting. President Thacker noted that the Courts were asking that the System Administrator be added back to the Courts budget and removed from the IT budget. This change had taken place during budget meetings for 2024. Aaron Loudermilk made a motion to approve Salary Ordinance 2024-21A. Councilwoman Vicki Weger said she would like to have this referred to the Budget Committee for next month. President Thacker said there was a motion to approve on the floor and would need to be dealt with first. There was no second for the motion and the motion died for lack of a second. Ms. Weger then made a motion to refer this to the Budget Committee for further information. Nancy Allsup seconded the motion. A short discussion took place about how this came about during budget discussions for 2024. Chief Judge Sarah Mullican stated that the position had been created for the Courts because of confidentiality of employees. Chief Deputy Prosecutor Rob Roberts also spoke in favor of the separation of the position back to the Courts budget. Councilwoman Theisz asked for clarification that Mr. Roberts was supporting the separation of the position back to the Courts budget. Mr. Roberts replied affirmatively. Councilwoman Theisz asked for clarification one last time before a vote was taken. President Thacker then called for a voice vote to send this back to the Budget Committee, which resulted in more than one nay vote. A roll call vote was then taken with voting as follows: Aaron Loudermilk – nay; Nancy Allsup – aye; Vicki Weger – aye; Todd Thacker – aye; Marie Theisz – aye; Travis Norris – nay. With a vote of 4-2, the motion carried.

xxii. Amended Salary Ordinance 2024-22A: Local Public Health Services – Stipends

This matter had been discussed at the Sunshine Meeting. Todd Thacker gave a brief review of the reason for this request. Chief Deputy Auditor Cheryl Loudermilk said the amounts for the stipends had been taken back to January 1 to clear this up. This is being amended to take them to the mid-point based on the Baker Tilly study. Nancy Allsup made a motion to approve Amended Salary Ordinance 2024-22A. Vicki Weger seconded the motion. Upon a voice vote of 6-0, the motion unanimously passed.

xxiii. Amended Salary Ordinance 2024-23A: Prosecutor – Amend Legal Secretary Position

This matter had been discussed at the Sunshine Meeting. Todd Thacker gave a brief review of the reason for this request. Vicki Weger made a motion to approve Amended Salary Ordinance 2024-23A. Travis Norris seconded the motion. Upon a voice vote of 6-0, the motion unanimously passed.

xxiv. Amended Salary Ordinance 2024-24A: Courts – Salary Adjustment for Case Managers

This matter had been discussed at the Sunshine Meeting. Chief Deputy Auditor Cheryl Loudermilk briefly reviewed this request. There are 2 screening analyst/case managers who are paid by the County and two who are paid from a grant. These positions were not part of the Baker Tilly study. When raises were discussed, these positions were not included because it was not certain that the same raise could be given to the 2 grant funded positions and it was intended that all 4 positions be paid the same. It was determined by the State at a later date after raises were given at budget time for County employees that the grant funded positions could receive the 3% raise. Now, it is being requested that the two County positions receive a 3% increase. It was also pointed out that the grant funded positions had not received the 3% increase, and would not, unless the County increased the other two positions by 3%. This was presented as retroactive to January 1 but if Council chooses a different effective date, that part of the appropriation will need to be amended. Ms. Loudermilk did note that the total cost to the County would be \$2,603. Vicki Weger made a motion to approve Amended Salary Ordinance 2024-24A and for it to be effective as of January 1, 2024. Nancy Allsup seconded the motion. Upon a voice vote of 6-0, the motion unanimously passed.
