COLINEY CENED AT /1000

#### Good morning Larry,

I have been in communication with personnel in the office to get guidance regarding the Seelyville Town approval/denial meeting. It is the department's responsibility to notify the unit of the statute if the unit submits information stating a majority of the board members are firefighters. Through the Pre-Budget Worksheet it was indicated two of the three board members were firefighters. The unit was notified of the statute and the necessary procedures were put in place by the unit.

The department was notified there was not a quorum for the approval/denial meeting and was asked how the county should proceed. At this point the county should contact their local legal counsel for guidance.

Hope you have a great weekend, Cathy Stockhoff

#### To: Vigo County Council

During the budget approval for the Town of Seelyville, paperwork was submitted that had incorrect information presented to DLGF, after speaking with DLGF the error was corrected and the budget for the Town of Seelyville was approved. We no longer require this matter to be presented as part of the agenda at tonight's meeting. I would like to thank the commissioners and the council for their wiliness to help us with this matter, and your continued support of our small town.

Sincerely:

John Hendrix

#### Exhibit 1

Vigo County Sheriff Department	s
Standard Operating Guid	elines
Reference Number: PER-017	Effective Date: 12/01/13
Subject: Employment Practices - Work Week, Overtime, Court Time	Revised: 02/11/20
Special Instructions: Replace all previous	Number of pages: 3

This directive is for internal use only and does not enlarge an officer's civil or criminal liability in any way. It should be construed as the creation of a higher standard of safety or care in an evidentiary sense, with respect to third party claims. Violations of this directive, if proven, can only form the basis in a non-judicial administrative. setting.

#### PURPOSE

Establishes guidelines pertaining to a work week, overtime, and court time.

#### POLICY

Department employees are required to present themselves for duty on each scheduled duty day as set forth in department SOG.

#### PROCEDURE

- A. Work Week: Regular Duty
  - The Sheriff shall establish duty hours for all department employees.
- B. Wark Week: General Attendance
  - Officers will present themselves for duty on each scheduled duty day with the following exceptions:
    - a. When absence is due to illness, and it has been reported to his commanding officer at the earliest possible moment or before the start of duty hours.
    - When on vacation, taking approved accumulated time off or if an authorized leave of absence has been granted.
- C. Work Week: Stand by Duty
  - All duly sworn officers of the department are on twenty-four (24) hours' call except when absent due to illness, on vacation, taking approved accumulated time off, or where an authorized leave of absence has been granted.

- When contacted by a superior officer on regularly scheduled off duty days, they shall make themselves available for duty as requested, and as soon as possible.
- Any duty time performed during regularly scheduled off duty periods shall be logged as accumulated authorized overtime.

#### D. Work Week: Authorized Overtime

- Any officer performing overtime duty must have authorization from his
  or her direct supervisor when possible, otherwise it must be approved
  by any department supervisor.
- All earned overtime will be reported to the secretarial staff as part of the officer's monthly activity report. In almost every situation the approving commander of the monthly report should be the supervisor of the shift or division in which the overtime is actually earned.
- The monthly report will briefly explain the need or reason for the earned overtime.
- Overtime Authorization is not required for grant funded projects.
   However, officers working grant projects cannot claim grant funded hours as regular work hours. An officer may take accrued leave time to work grant funded projects.
- 5. Overtime is to be reported in actual overtime earned or taken. Do not multiply by one and one-half. All record keeping of overtime by secretarial staff will be recorded in actual overtime hours. Overtime taken as compensatory time will be adjusted by secretarial staff at the one and one-half rate.
- The approval of the officer's immediate supervisor is required when extra days off are taken utilizing accumulated overtime.

- 7. A deputy sheriff may accumulate a maximum of eighty (80) hours in approved overtime during the period of December 15¹to November 30th. If at any time during this 12-month period, a deputy exceeds eighty (80) hours of authorized overtime he/she shall be compensated for all hours in excess of eighty (80) hours on the next practical pay cycle following the report of the overtime to the secretarial staff.
- During the 12-month period if a deputy has a change in position that
  either increases or decreases their pay rate <u>all</u> overtime hours that the
  deputy has accumulated will be paid out at the rate of which the
  overtime was earned.
- 9. At the end of each 12-month period (November 30) all overtime that remains on record for the deputy as of November 30th will be reported to the auditor in the month of December and that officer will be compensated for all accumulated hours over forty and thus a deputy will return to forty hours of accumulated overtime on December 1.

I am submitting a request for November's council meeting to receive an appropriation of an approximate \$190,000 to cover the remainder of our Jail medical cost for the year.

We will need this money appropriate no later than November 30 to make our payment. If you need any additional information or paperwork from me prior, please let me know.

To my knowledge, this money cannot be taken from the non-reverting fund. It will likely need to be taken from lit or the general fund account. If by law and ordinance it can come from the nonreverting fund, that is sufficient from our perspective.
