

## SCHEDULE N

### Lane and Shoulder Obstruction Requirements

**Certificate of Insurance:** \$500,000 General Liability from the contractor.  
Certificate Holder: Vigo County Board of Commissioners.

**Construction Maintenance Bond:** From the contractor, a 3 year \$5,000.00 Bond (minimum).  
Bond form provided by the Highway Engineering  
Department.

**Plan:** Specify shoulder work, one lane obstructed continuous moving, one lane obstructed less than 30 minutes, one lane obstructed more than 30 minutes or one lane obstructed extended work zone. Please refer to *LTAP Handbook for Temporary Traffic Control – Construction, Maintenance and Utility Operations* (July 2004) for required traffic control. Annual permit applications require two (2) plans, one each for less than 30 minute and more than 30 minute lane obstructions.

**24 Hour Notice:** Please call the Highway Engineering Department @ (812) 462-3419 and give a 24 hour notice before working.

**Permit:** All companies and/or persons must have a copy of the approved permit on the job site while work is being done.

**Fee:** Per Ordinance No. \_\_\_\_\_. The Engineering Department will calculate fees based on annual or single time submittal. Checks made payable to the Vigo County Treasurer.
