Public Comments

President Loudermilk stated that public comment would be divided into two segments for this meeting. The first segment was for any matters not covered on tonight's agenda. There were no comments at that time on items that were not on the agenda. President Loudermilk then said that since last week, many Council members had been contacted by homeowners along the proposed Riley Trail Project stating that they were unaware of last week's meeting and had only received a letter of notification three days after the meeting had taken place. They wanted a chance to speak their feelings about this matter since they would be impacted if this request were approved. Todd Thacker made a motion to suspend the rules to allow these people to speak. Vicki Weger seconded the motion. Upon a roll call vote of 7-0, the motion was unanimously approved and the rules were suspended. The following individuals then commented on the Riley Trail Project:

1. David Whitesell, Commander of American Legion #328, spoke against this project citing, among other things, concerns about various lakes in the area and the potential for drownings/accidents and creating liability for property owners.
2. James Camp, homeowner whose property abuts the proposed trail, stated he was definitely not in favor of this project.
3. Marty Havens, homeowner, spoke against the trail citing, among other things, safety, trash, and theft.
4. Dustin Havens, business owner and homeowner, spoke against the trail citing, among other things, concerns about crime. He felt this will not benefit anybody and there would be no policing of the area. He also felt there was a lack of transparency.
5. John Proctor spoke against the trail stating, among other things, that he already deals with trash and theft and this will only make matters worse.

6. Chad Feller, homeowner, spoke against this project stating that there are plenty of other trails in Vigo County that people can use and voiced concern about safety and traffic dangers it could cause.
7. Joe McKee, homeowner whose property abuts the proposed trail, spoke against the project citing, among other things, privacy concerns and fear that it could endanger his children and other safety issues.
8. Buddy Green spoke favorably for the trail saying that the same concerns expressed tonight had been said when the Heritage Trail was created. The issues did not materialize. This would be a benefit to the community.
9. Myra Bosworth spoke favorably for the trail stating that she used the Heritage Trail on a daily basis to exercise, walk her dogs, and she has never had any issues or felt unsafe.
10. Commissioner Mike Morris thanked the Council members for allowing these additional comments and said he felt the Commissioners had done their due diligence.
11. Commissioner Chris Switzer spoke as a resident of West Terre Haute and talked about the many benefits the town has experienced since the Wabashiki Trail and other local trails in the vicinity had been created.
12. Susan Dolle spoke last week in favor of the trail and again reiterated that she was still in favor and talked about the benefits of having a trail.
13. Floyd Bosworth spoke in favor of the trail and uses the Heritage Trail on a regular basis. He expressed the positivities of having/using trails.

With no other individuals wanting to speak, Marie Theisz made a motion to reinstate the rules. Todd Thacker seconded the motion. Upon a roll call vote of 7-0, the motion unanimously passed and the rules were reinstated.

Reports from committee(s)

There were none

Resolutions and Ordinances other than appropriations.

Ordinances relating to appropriations.

i. Additional Appropriation 2022-13; ROC 2022-16: County Council/COVID 19 Expenses

Aaron Loudermilk stated that this had been discussed in depth at the Sunshine Meeting and at last month's meetings and concerned the Stryker Chest Compression devices. The Health Department does intend to contribute money to help offset this expense but does not have an

exact figure yet for that commitment but thinks it will be around \$150,000. That amount will be determined at a later date. Brenda Wilson made a motion to approve Additional Appropriation 2022-13. David Thompson seconded the motion. Before a vote was taken, Marie Theisz asked for clarification that the total cost for the equipment was \$394,000 and that the funds contributed by the Health Department would go back into the Covid 19 Expenses Fund for reimbursement. It was confirmed that such is the case. Upon a roll call vote of 7-0, the motion was unanimously approved.

ii. Additional Appropriation 2022-10, ROC 2022-14: Alternative Dispute Resolution

This had been introduced last week but no one was present to speak on the matter. Judge Lakshmi Reddy was present for any questions that the Council might have and gave a brief explanation of the request. Upon determination that there were no further questions or comments from Council, Vicki Weger made a motion to approve Additional Appropriation 2022-10. Travis Norris seconded the motion. Upon a roll call vote of 7-0, the motion was unanimously approved.

iii. Additional Appropriation 2022-09, ROC 2022-13: EDIT

Adam Grossman spoke in depth about this request last week and was present for this meeting in the event there were any additional questions. Todd Thacker made a motion to approve Additional Appropriation 2022-09. Vicki Weger seconded the motion. Mr. Thacker then commented that when you can take advantage of using federal money to match our local tax dollars, it was a much better use of our tax dollars and should be taken advantage of. This was for expansion on an existing project to help move it ahead. Upon a roll call vote of 7-0, the motion was unanimously approved.

**iv. Additional Appropriation 2022-11, ROC 2022-15: EDIT AND
Additional Appropriation 2022-12, ROC 2022-15: American Rescue Plan**

These two appropriations will be combined for discussion purposes since they are the same request with the option of taking it from either fund. Brenda Wilson expressed concerns about several issues regarding cost estimates, transparency, the concerns expressed tonight by landowners on/near the trail, and which fund the money would be taken from. Ms. Wilson then made a motion to table Additional Appropriation 2022-11 and Additional Appropriation 2022-12 until further information has been received. Todd Thacker seconded the motion. Larry Robbins, County Engineer, was present and addressed some of the issues raised by Councilwoman Wilson before the vote was taken. There was a very lengthy discussion that included how cost estimates were determined, along with possible grants that will be applied for to assist with some of the costs, and the design to be created and maintenance of the trail. When asked if there was a time constraint regarding a deadline for a decision, Mr. Robbins stated that he believed there was a June deadline. Use of funding from the American Rescue Plan was also touched upon. Use of motorized vehicles on the trail was also discussed. Before the roll call vote was taken, President Loudermilk asked that it be clarified that since two appropriations were up for vote, that this vote pertained to Additional Appropriation 2022-11. Ms. Wilson confirmed that to be the case. Marie Theisz asked if there had been public notice and it was confirmed that the railroad had a legal notice published. There was also a discussion regarding the lawsuit between the railroad and property owners. Upon a roll call vote, voting was as follows: Todd Thacker, aye; Vicki Weger (Ms. Weger was not in the room at the time this vote was taken so no vote was cast); Marie Theisz – nay; Travis Norris – aye; Brenda Wilson – aye; David Thompson – aye; Aaron Loudermilk – aye. Upon a 5-1 vote, the motion carried. Brenda Wilson then made a motion to table Additional Appropriation 2022-12 until further information has been received. Travis Norris seconded the motion. Upon a roll call vote, voting was as follows: Todd Thacker, aye;

Vicki Weger (Ms. Weger was not in the room at the time this vote was taken so no vote was cast); Marie Theisz – nay; Travis Norris – aye; Brenda Wilson – aye; David Thompson – aye; Aaron Loudermilk – aye. Upon a 5-1 vote, the motion carried.

v. Salary Ordinance 2022-11, ROC 2022-17: Veterans Assistance Office

Tim Cunningham spoke about this matter at the Sunshine Meeting and was again present tonight. He reiterated the reasons why he was asking for the additional staff and the work that was being accomplished. There was discussion about the dollar figure being requested and job descriptions, and if Mr. Cunningham had worked with HR on the classifications for the staff requests. It was determined that there were problems with the job classifications. There was discussion about applying for federal grants. It was noted that the new job classifications should be forthcoming from Baker Tilly soon. Also, with budget hearings coming up, these are things that should be put into his budget request. Mr. Cunningham could possibly re-submit his request once job classifications are received and also address these staffing issues during budget meetings. Discussion continued about the need for additional information before an informed decision could be made. Brenda Wilson made a motion to table Salary Ordinance 2022-11. David Thompson seconded the motion. Upon a roll call vote of 7-0, the motion was unanimously approved.

vi. Additional Appropriation 2022-14, ROC 2022-17: Veterans Assistance

This appropriation was in conjunction with Salary Ordinance 2022-11 that had just been tabled. Brenda Wilson made a motion to table Additional Appropriation 2022-14. Travis Norris seconded the motion. Upon a roll call vote of 7-0, the motion was unanimously approved.

vii. Resolution 2022-04; ROC 2022-12: High Tech Crime Unit

Rob Roberts, Chief Deputy Prosecutor, discussed this thoroughly at the Sunshine meeting. Upon determination that Council had no further questions or comments, Travis Norris made a motion to approve Resolution 2022-04. David Thompson seconded the motion. Upon a roll call vote of 7-0, the motion was unanimously approved.

viii. Amendment to 2022 Vigo County Salary Ordinance; ROC 2022-11: Prosecutor

Rob Roberts, Chief Deputy Prosecutor, had explained this at the Sunshine Meeting. David Thompson made a motion to approve the Amendment to the 2022 Vigo County Salary Ordinance. Brenda Wilson seconded the motion. Council Administrator Kylissa Miller asked if they were okay with the proposed language to amend the ordinance and what number they wanted to use for the proposed number of weeks. There was discussion about the language. Mr. Roberts stated that 4 weeks would be an acceptable number for that blank. Discussion continued. David Thompson withdrew his previous motion and made a motion to approve the Amendments to 2022 Vigo County Salary Ordinance with the suggested language to designate the blank number of weeks to be four (4) at the rate of 60% of the base rate of a deputy prosecutor with the same benefits. Brenda Wilson seconded the motion. Upon a roll call vote of 7-0, the motion was unanimously approved.

ix. Salary Ordinance 2022-12; ROC 2022-18: Adult Protective Services

Rob Roberts had thoroughly explained this request at the Sunshine Meeting. Upon determining that the Council had no further questions, Vicki Weger made a motion to approve Salary Ordinance 2022-12. David Thompson seconded the motion. Upon a roll call vote of 7-0, the motion was unanimously approved.

x. Salary Ordinance 2022-13; ROC 2022-19: High Tech Crime Unit

Rob Roberts had explained this request at the Sunshine Meeting. These are monies to be paid from the grant funding the High Tech Crime Unit and will only be effective for the 2-year term of the grant. After a short discussion and upon determining that the Council had no further questions, Brenda Wilson made a motion to approve Salary Ordinance 2022-13. Travis Norris seconded the motion. Upon a roll call vote, voting was as follows: Todd Thacker – aye; Vicki Weger – aye; Marie Theisz – aye; Travis Norris – aye; Brenda Wilson – aye; David Thompson – abstain; Aaron Loudermilk – aye. With a vote of six aye and one abstention, the motion carried.

xi. Additional Appropriation 2022-16; ROC 2022-19: High Tech Crime Unit

This appropriation funds Salary Ordinance 2022-13 that was just passed. Upon no further questions from Council, Brenda Wilson made a motion to approve Additional Appropriation 2022-16. Marie Theisz seconded the motion. Upon a roll call vote, voting was as follows: Todd Thacker – aye; Vicki Weger – aye; Marie Theisz – aye; Travis Norris – aye; Brenda Wilson – aye; David Thompson – abstain; Aaron Loudermilk – aye. With a vote of six aye and one abstention, the motion carried.

xii. Jail

Sheriff John Plasse stated that he had sent an email to all Council members with an update on staffing efforts since last month with the hourly rate of pay increase to \$19.00. Although encouraged by the modest increase in the number of applications received for employment, departing employees continue to focus on compensation as the main reason for leaving. Sheriff Plasse said that in order to keep the upward trend going forward, he was willing to withdraw all pending requests with the exception of the one for a stipend for the jail matron if Council would agree to raise the hourly rate of pay by another \$1.00 per hour, making it \$20.00 per hour, for the remainder of 2022 and going forward.

- a. Salary Ordinance 2022-04; ROC 2022-09; Jail – Add Officers - Withdrawn**
- b. Salary Ordinance 2022-06; ROC 2022-09; Jail – Stipends – This was handled in the March meeting.**
- c. Salary Ordinance 2022-07; ROC 2022-09; Jail – Stipends - Withdrawn**
- d. Salary Ordinance 2022-08; ROC 2022-09; Jail –Shift Differentials - Withdrawn**
- e. Salary Ordinance 2022-09; ROC 2022-09; Sheriff – Add Position & Stipend (Jail Matron)**

It was noted that this had originally been submitted as part of the jail fund but was determined to be part of the Sheriff's fund and that it had now been advertised correctly and is being considered from the Sheriff's Fund. Travis Norris asked if this was a position to be filled or if someone was already serving as such. Sheriff Plasse said that there was someone in the position and she was currently making \$0.25 less than the highest paid jail officer and she's in charge of all jail officers. A discussion followed regarding her salary and the difference that she is now making versus what she should be making. The request is for her to be paid the rate of a merit lieutenant which is in accordance with Indiana statute. President Loudermilk ask Council Attorney Robert Effner if his interpretation was the same. Mr. Effner replied that the statute does provide that matrons are entitled to the same salary that other members of the department of the same rank,

grade or position are paid. Mr. Effner said he has not seen any record that the individual is the rank of lieutenant. He spoke about what situations would not qualify for this rate of pay and questioned how the rank of lieutenant was given to the individual now in the position. Sheriff Plasse responded that she was serving in this position when he took office and the prior administration had designated her as a lieutenant, the same as the two prior matrons before her had been designated as lieutenants. There was a lengthy discussion about the rank of the current jail matron. Attorney Craig McKee, attorney for the Sheriff's Department, was asked to speak on this matter. Mr. McKee indicated that today was the first time this issue had been raised. As Sheriff Plasse had explained earlier, he inherited this officer from a prior administration as a lieutenant. She has not been demoted. She is a holdover. This is her second administration. As he understands the law, the chief deputy and the matron serve at the pleasure of the Sheriff. The Sheriff has made no change from the prior administration. Mr. Effner thought there should be some documentation. Lengthy discussion continued, including the authority of the Merit Board pertaining to the jail matron and her current rate of pay. Marie Theisz asked about the additional duties performed by the matron. The jail matron was present to talk about her duties. She has been with the department since 2012 and was appointed as jail matron by Sheriff Greg Ewing in 2018. After some further discussion, Chief Deputy Auditor Cheryl Loudermilk advised that the payroll system shows her salary at \$51,245 (which is just her base salary and does not include longevity or anything else). After determining that there were no further questions or comments, Vicki Weger made a motion to approve Salary Ordinance 2022-09. Todd Thacker seconded the motion. Before a vote was taken, Brenda Wilson asked if the additional \$1.00 raise being requested would affect the outcome of the numbers and it was determined that it would not and the stipend would still be needed to make her whole. Upon a roll call vote of 7-0, the motion unanimously passed.

f. Additional Appropriation 2022-17; ROC 2022-09; Sheriff

Cheryl Loudermilk noted that this Additional Appropriation had been added just this morning to fund Salary Ordinance 2022-09 that had just passed. President Loudermilk briefly reviewed this appropriation. Brenda Wilson made a motion to approve Additional Appropriation 2022-17. Marie Theisz seconded the motion. Upon a roll call vote of 7-0, the motion unanimously passed.

g. Salary Ordinance 2022-10; ROC 2022-09; Jail – Amend Part Time Correctional Officer Rate –

Upon being asked if this was being withdrawn, Sheriff Plasse stated that he thought part time should be raised to the same rate as full time. However, after a brief discussion, the request was withdrawn.

h. Salary Ordinance 2022-05, ROC 2022-09: Jail – Amend Salaries

President Loudermilk referred everyone to the Amended Salary Ordinance 2022-05 passed last month showing the amount requested and the handwritten amount approved on March 8, 2022; a document titled Report to Vigo County Council from Sheriff John Plasse Regarding Jail Employee Compensation dated April 11, 2022 that was emailed to the Council; Correctional Officer Compensation between Counties comparison sheets received at last month's meeting; and a rate of compensation for correctional officers document (2 pages) chronicling the history from 2018 through the recent amendment. The Report from the Sheriff was asking for an additional \$1.00 per hour moving the starting rate to \$20.00 per hour for correctional officers; \$20.94 per hour for Corporals; \$21.88 per hour for Sergeants; \$23.74 per hour for Senior Sergeant; and \$25.16 per hour for First Sergeant. If the Council saw fit to raise the additional \$1.00 per hour, Sheriff Plasse would withdraw all other pending requests with the exception of the stipend for the Jail Matron. The floor was then opened for discussion. Brenda Wilson stated that she was not comfortable with the ripple effect among other departments if another raise is given so soon and

precedent being set. Todd Thacker commented that there probably would be a ripple effect, but this raise would also show good faith with the ongoing litigation. He supported doing this additional \$1.00 per hour raise. Marie Theisz felt that this was a unique situation and she hoped people would understand that. Travis Norris asked about the building of the new jail and if the project was within budget. Sheriff Plasse indicated that it was coming in under budget by about \$2 million. There was discussion about the reasons employees were leaving. Aaron Loudermilk felt that Vigo County was very competitive with the other local counties on the comparison sheets but that the County could not compete with the rate of pay for the Federal prison or some of the other local prisons, or with moves to different locations due to family or career moves. He felt that things were trending in the right direction with the new hourly rate passed last month. There was a lengthy discussion. Attorney David Friedrich, the attorney representing the County in the federal lawsuit, asked to speak. He stated that there was a hearing in front of Judge Magnus-Stinson at the end of this month. He files monthly reports to the Court regarding this matter. He is in contact with Ken Falk, the plaintiff attorney, about this every month whether it is about number of inmates or staffing. Going forward, there are two issues that will not change. Right now, we are supposed to be at 61 correctional officers; in three months, we are supposed to be at 81. Vigo County is still not able to meet either of these numbers. His concern is that if we come in at \$19.00 per hour, that is not going to be acceptable to either Ken Falk or Judge Magnus-Stinson. The Judge will not care about the other departments. What she is going to be concerned with is, if numbers cannot be met, she will limit the inmate numbers that can be in the jail which will be based on the number of correctional officers employed. If those numbers are not met, she will put a hard cap in place. Right now, numbers are supposed to be 268 and there are over 350 inmates right now. He believes numbers have been under 300 only a couple of times in the last three years. The new jail will hold 400. Under classification purposes, it's maximum is 80% which is 420. He believes that that number will be reached within 6 months of opening the facility. It is not about demographics or what other counties are going to do. It is about what is going to be acceptable to the ACLU and Judge Magnus-Stinson. It's that simple. He believes a \$2.00 increase will show a good faith effort and satisfy the parties involved. Mr. Friedrich also stated that may not be the end but it will get the county into the new jail and figure out what's going on. After a brief discussion, Todd Thacker made a motion to approve the increase to \$20 per hour. Vicki Weger seconded the motion. Upon a roll call vote, voting was as follows: Todd Thacker – aye; Vicki Weger – aye; Marie Theisz – aye; Travis Norris – aye; Brenda Wilson – nay; David Thompson – nay; Aaron Loudermilk – nay. With a vote of 4-3, the motion carried. Kylissa Miller asked if they were going to do anything with the other positions. Todd Thacker said it had been his intention to move all the positions up \$1.00 per hour but he did not clarify that. President Loudermilk asked Council Attorney Robert Effner how to handle the matter. Mr. Effner recommended a motion to reconsider. Discussion followed about how to handle the amendment to the amended ordinance 2022-05. Todd Thacker made a motion to reconsider the previous motion. Marie Theisz seconded the motion. Upon a roll call vote of 7-0, the motion unanimously passed. Todd Thacker made a motion to amend Amended Salary Ordinance 2022-05 to state the following: a. Amend Correctional Officer Civilian POLE A to \$20/hour; b. Amend Corporation Civilian POLE B to \$20.94/hour; c. Amend Sergeant Civilian POLE C to \$21.88/hour; d. Amend Senior Sergeant Civilian POLE D to \$23.74/hour; and e. Amend First Sergeant Special Occupation to \$25.16/hour to go into effect April 13, 2022. Vicki Weger seconded the motion. Upon a roll call vote, voting was as follows: Todd Thacker – aye; Vicki Weger – aye; Marie Theisz – aye; Travis Norris – aye; Brenda Wilson – nay; David Thompson – nay; Aaron Loudermilk – nay. With a vote of 4-3, the motion carried.

i. Additional Appropriation 2022-08; ROC 2022-09: Jail

There was a discussion on how to amend the numbers for Additional Appropriation Ordinance 2022-08. Kylissa Miller said that the payroll salaries line (Account No. 10010) should show

\$248,567; FICA/SS line (Account No. 15210) should show \$19,016; and PERF line (Account No. 15220) should show \$35,297 for a total appropriation of \$302,880. That is not a full year's rate because it is being funded just for the rest of this year. This only includes amending the rate of pay for the correctional officers and the rank above them. It does not include anything for new positions, duty stipends, shift differentials, the sheriff's stipend and does not include any part time increase. After some more discussion, Todd Thacker made a motion to amend Additional Appropriation 2022-08 for FICA in the amount of \$19,016; PERF in the amount of \$35,297; and Payroll Salaries in the amount of \$248,567 for a total amount of \$302,880. Marie Theisz seconded the motion. Upon a roll call vote, voting was as follows: Todd Thacker – aye; Vicki Weger – aye; Marie Theisz – aye; Travis Norris – aye; Brenda Wilson – nay; David Thompson – nay; Aaron Loudermilk – nay. With a vote of 4-3, the motion carried. Todd Thacker made a motion to approve amended Additional Appropriation 2022-08. Vicki Weger seconded the motion. Upon a roll call vote, voting was as follows: Todd Thacker – aye; Vicki Weger – aye; Marie Theisz – aye; Travis Norris – aye; Brenda Wilson – nay; David Thompson – nay; Aaron Loudermilk – nay. With a vote of 4-3, the motion carried.

Honorary Resolutions

There were none.

Resolutions relating to fiscal policies of the Council

There were none.

Appointments

There were none.

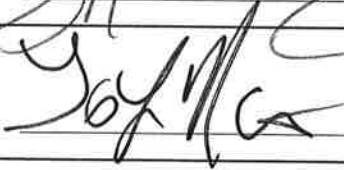

Audience member Joe Shackelford, Chairman of the Honey Creek Fire Protection District, asked if it was now time for the second segment of public comment. There was a brief discussion and Mr. Shackelford was allowed to speak. He wanted to convey to the Council that he was extremely pleased and happy that they had passed the appropriation tonight for the Stryker chest compression devices for all the departments in the Local Fire Protection Districts. He said that Honey Creek Volunteer Fire Department already had five such devices that had been used to save the lives of four people that were technically dead in the eighteen months that they had them. He was very appreciative that all the fire departments would now be able to utilize these life saving devices.

Adjournment

Brenda Wilson made a motion to adjourn. Travis Norris seconded the motion. By a unanimous voice vote, the meeting was adjourned at 8:30 p.m.
