There were no corrections to the minutes of the June 14, 2022 regular meeting. Todd Thacker made a motion to approve the minutes of the regular meeting. Vicki Weger seconded the motion. Upon a roll call vote of 6-0 with Marie Theisz abstaining, the motion was unanimously approved.

Public Comments – limited to items NOT on tonight's agenda

Richard Shagley advised that he would be filing a tax abatement that would be heard on next month's meeting for Saturn Petcare and wanted to give the Council a brief overview of what they will be requesting. He also invited the Council to the plant for a walk-through to be held on August 19 at 10:00 a.m.

Commissioner Mike Morris advised that tie removal should start on the Riley Trail Spur this week. The project will take approximately one month with the debris to go to the Vigo County landfill. Also, the lights in the restrooms, which was asked about at the last meeting, should be done tomorrow. Brenda Wilson asked if they had received the contamination study back on the Riley Spur and Mr. Morris said they had and had been cleared to be taken to the landfill.

A gentleman (no name given) complained about all the doors to the building being locked when there was a public meeting being held.

Roland Baker, who lives at the crossroads of Oregon Church Road and Singhurse, spoke against the renovation to the Vigo County Government Center. Thought the expenditure was ridiculous and that the building should not be locked down to just one entrance. He also complained about a culvert near his house that had not been repaired after being damaged by the State of Indiana. He did not know if it was on the list of repairs being proposed tonight under the capital improvements portion of the ARPA Fund request but had been promised multiple times that it would be repaired.

Communications from elected officials, other officials or agencies of the County

Councilwoman Vicki Weger introduced a visitor in attendance from the University of Tennessee who had formerly played for ISU, Tyrese Key. President Aaron Loudermilk gave a brief update on the salary study being done by Baker Tilly. We should not expect anything until September 6 at the earliest.

ii. Resolutions 2022-11 & 2022-12 Terminating Real Property and Personal Property Tax Abatement – tax abatement hearing for Midwest Investments, LLC and D&D Automation, Inc.; ROC 2022-28

President Loudermilk reminded everyone that the attorney for these abatements had appeared at the Sunshine Meeting and explained the circumstances that were beyond the control of the companies and everyone appeared to be satisfied with the explanation. Brenda Wilson commented that she believed there were legitimate reasons for the situation. Todd Thacker made a motion to find Midwest Investments, LLC and D&D Automation, Inc. in substantial compliance with their tax abatements. Brenda Wilson seconded the motion. Council Attorney Robert Effner interjected that there were Resolutions before the Council and they might want to amend the motion to either withdraw or defeat the resolutions. There was a brief discussion. Mr. Thacker withdrew his motion. Mr. Thacker then made a motion to defeat Resolution 2022-11 and 2022-12. Brenda Wilson seconded the motion. There was a brief discussion on voting yes or no and the meaning. An "aye" vote would be to defeat the Resolutions. Upon a roll call vote of 7-0, the motion was unanimously passed and the companies were found to be substantially compliant with their abatements.

iii. Resolution 2022-09 Modifying Local Income Tax Rates, Annual Allocation to Township Fire Safety Agencies; ROC 2022-35

President Loudermilk indicated that there had been some concerns about language and changes in what is accepted through DLGF. The County has submitted their rebuttal to DLGF's interpretation of the statute and are waiting for a confirmation on whether or not we can move forward as we have in previous years. Just before tonight's meeting, Council Administrator Kylissa Miller was contacted by email that DLGF had still not reached a decision. President Loudermilk stated that the County would like to continue operating in this fashion as we have in the past. It appears that by the way public

notice was written, we were to have a decision reached today. In consulting the Council attorney, it was suggested that in order to continue the path we have started, it would be prudent to recess the meeting at the end today rather than adjourn so that this can be discussed once the information comes back from DLGF. That will also give time for a second rebuttal, if needed. This must be accomplished by September 1. Brenda Wilson made a motion to table Resolution 2022-09 until Tuesday, August 23, 2022 at 4:30 p.m. Todd Thacker seconded the motion. Upon a roll call vote of 7-0, the motion unanimously passed.

iv. Resolution 2022-10 Council Support to Expand Courts; ROC 2022-32

This was heard and discussed at the Sunshine Meeting. Several individuals had appeared in support of this request. This resolution would be the first step of many to accomplish getting another court here in Vigo County. Marie Theisz made several comments and stated that she is in complete support of approving this resolution. Council members had no further questions or comments. Vicki Weger made a motion to approve Resolution 2022-10. Marie Theisz seconded the motion. Upon a roll call vote of 7-0, the motion unanimously passed.

Ordinances relating to appropriations.

i. Additional Appropriation 2022-22; ROC 2022-29: Public Defender – Legal Services

Gretchen Etling was present and reiterated this request from their Supplemental Fund which is generated from fees and is not an additional appropriation out of the general fund. She also noted that since last week, they had been appointed an additional five clients charged with murder so she was hoping the funds requested tonight would get them through the end of the year but it was a possibility that she might have to come back and ask for more to get them through. Council had no additional questions. Brenda Wilson made a motion to approve Additional Appropriation 2022-22. Vicki Weger seconded the motion. Upon a roll call vote of 7-0, the motion unanimously passed.

ii. Additional Appropriation 2022-23; ROC 2022-31: Vigo County Health Department – repair equipment and freight

Joni Wise, Administrator of the Vigo County Health Department, explained this last week at the Sunshine Meeting. Council had no further questions or comments. Vicki Weger made a motion to approve Additional Appropriation 2022-23. Travis Norris seconded the motion. Upon a roll call vote of 7-0, the motion was unanimously approved.

iii. Reduction of Appropriation 2022-01; ROC 2022-33: Supplemental Juvenile Probation Department AND Reduction of Appropriation 2022-02; ROC 2022-33: Drug Court – budget reductions

Todd Thacker said that he had not heard from the department heads on these requests and wanted to know if they were aware and agreeable with these matters. Kylissa Miller said that she had been in contact and worked with the departments because of conversations in the budget meetings. In order to fund their budgets, they were going to have to reduce both 2022 and 2023 asks. They were in agreement with reductions in these areas. Vicki Weger made a motion to approve Reduction of Appropriation 2022-01 for the Supplemental Juvenile Probation Department in the amount of \$1,225. Marie Theisz seconded the motion. Upon a roll call vote of 7-0, the motion was unanimously approved. Vicki Weger then made a motion to approve Reduction of Appropriation 2022-02 for Drug Court in the amount of \$9,375. Travis Norris seconded the motion. Upon a roll call vote of 7-0, the motion was unanimously approved.

iv. Additional Appropriation 2022-24; ROC 2022-34: Commissioners/ARPA Fund – building renovation and capital improvements.

Marie Theisz asked Larry Robbins, County Engineer, if the area that the citizen who spoke during public comment was included in this request for the capital improvements money. Mr. Robbins said

that he had been working with the State of Indiana on that section of Singhurse. That particular culvert is on the list but not included in this funding request because it will be funded by the State of Indiana. Ms. Theisz then asked if there was any type of system about cleaning out culverts on a regular basis or just as requested. Mr. Robbins said it was basically as they find them or if someone brings it to their attention. Todd Thacker said that he would like to see some public comment about the use of these funds. He is in favor of not doing these right now. He wants to see a strategic plan so that they can see everything planned for the entire \$20 million. With a strategic plan, he feels that the different projects can be prioritized. Vicki Weger said that she is particularly interested in doing something significant with the funds. The smaller projects are significant but the opportunity does not come along often to do a bigger project that will benefit the community in a huge way and in terms of income. She thought an idea she heard expressed of building an athletic facility would be a great idea and talked about other similar facilities that had been built and were bringing in large sums of money to their community. Brenda Wilson said that she agreed with Councilwoman Weger. She would like to see a project, or several projects if the money was available, that benefits the community financially. Marie Theisz said that she agreed but she was very concerned about the engineering project in tonight's request. She felt these projects were of great importance and this would be a chance to get them all fixed at once rather than over a long time span. However, she also agreed that she would love to see a bigger project, perhaps in collaboration with other entities such as the City. Mr. Robbins confirmed that these projects, if not funded from ARPA funds, would come out of the Cumulative Bridge Fund but would take up to 10 years to complete using those CUM Bridge funds. Meanwhile costs continue to rise for materials which will make completion of the projects even longer since they will have to accumulate monies each year to be able to fix them as they get funding. Discussion continued. Brenda Wilson said she felt that the project needed to be done but without a list showing proposed projects for the entire ARPA funds, she wanted to make a motion that Additional Appropriation 2022-24 be tabled. Todd Thacker seconded the motion. Marie Theisz commented again that she would like to see the infrastructure portion approved but she also agrees with other Council members that she would like to see a more complete plan for the entire amount of money. Larry Robbins added some additional comments. President Loudermilk called for a vote for the motion on the floor to table this appropriation. Voting was as follows: Todd Thacker – aye; Vicki Weger – aye; Marie Theisz – nay; Travis Norris – aye; Brenda Wilson – aye; David Thompson – aye; and Aaron Loudermilk – aye. With a 6-1 aye vote, the motion passed.

v. Additional Appropriation 2022-25; ROC 2022-36: Council/County General – gasoline

This appropriation dealt with all departments requesting additional funds for gasoline that are funded out of County General, those being: Sheriff - \$85,000; Surveyor - \$2,000; EMA - \$2,400; and Building Inspection - \$800. Kylissa Miller reminded them that the Sheriff had requested a range between \$75,000 and \$85,000 so the higher number is what was advertised but the requested amounts could be adjusted to however the Council saw fit. Brenda Wilson asked if this was just to get these departments through the end of 2022 and that was confirmed. She then asked if it would require an amendment if any changes were desired. President Loudermilk replied affirmatively. These amounts are what the department heads felt they needed to get them through the balance of the year. There was a brief discussion. Travis Norris made a motion to amend Appropriation 2022-25 on the Sheriff's line item to \$75,000. Marie Theisz seconded the motion. Before a vote was taken, there was a question raised about amending the total amount requested. Travis Norris withdrew his motion. He then made a motion to amend Additional Appropriation 2022-25 making the Sheriff's line item \$75,000 and making the total amount requested from County General \$80,200. Marie Theisz seconded the motion. Upon a roll call vote, voting was as follows: Todd Thacker – nay; Vicki Weger – nay; Marie Theisz – aye; Travis Norris – aye; Brenda Wilson – aye; David Thompson – aye; Aaron Loudermilk – aye. With a vote of 5-2 in favor, the motion was passed. Travis Norris then made a motion to approve Amended Additional Appropriation 2022-25. Brenda Wilson seconded the motion. Upon a roll call vote of 7-0, the motion unanimously passed.

vi. Additional Appropriation 2022-26; ROC 2022-36: Council/Health – gasoline

There were no questions or comments by Council. Brenda Wilson made a motion to approve Additional Appropriation 2022-26. Travis Norris seconded the motion. Upon a roll call vote of 7-0, the motion unanimously passed.

vii. Additional Appropriation 2022-27; ROC 2022-36: Council/Highway – gasoline

There were no questions or comments by Council. Brenda Wilson made a motion to approve Additional Appropriation 2022-27. Vicki Weger seconded the motion. Upon a roll call vote of 7-0, the motion unanimously passed.

viii. Additional Appropriation 2022-28; ROC 2022-36: Council/Parks – gasoline

There were no questions or comments by Council. Todd Thacker made a motion to approve Additional Appropriation 2022-28. Vicki Weger seconded the motion. Upon a roll call vote of 7-0, the motion unanimously passed.

ix. Additional Appropriation 2022-29; ROC 2022-36: Council/Juvenile Justice N/R - gasoline

RESOLUTION 2022-10
RESOLUTION TO CONSIDER THE FUNDING OF AN ADDITIONAL COURT

WHEREAS, the Vigo County Courts have the third highest caseload in the state of Indiana; and

WHEREAS, Vigo County currently operates with six Superior Courts, one being a hybrid Circuit Court, and also employ a Juvenile Magistrate and a Title IVD Commissioner, and

WHEREAS, to address the growing number of cases, the Vigo County Courts have established six problem solving courts, and have combined and shared resources and services of programs within the Vigo County Court system; and

WHEREAS, the Vigo County Courts have utilized that assistance of a Senior Judge to hear the mushrooming number of CHINS cases filed in Juvenile Court, but said Senior Judge's availability will end on December 31, 2022; and

WHEREAS, the Juvenile Court's caseload has hovered between 2.5 and 3.0 times the recommended caseload under the state's weighted caseload system for the last several years; and

WHEREAS, the Superior Court Judges believe that adding an additional court would better serve the needs of the citizens of Vigo County.

NOW, THEREFORE, be it resolved that the Vigo County Council agrees that there is need to add an additional court to better serve the needs of the citizens of Vigo County, supports a request of the Vigo Superior Courts to add an additional court, and would reasonably consider the request of the Vigo Superior Courts to the Vigo County Council for the county portion of funding such additional court as requested in its letter to the Council dated July 18, 2022.

Presented to the Vigo County Council, read in full and adopted as written this 9th day of August 2022.
