**Communications from elected officials, other officials or agencies of the County**

Todd Thacker read the following statement: "At recent meetings of the Vigo County Council and the Vigo County Commissioners, our constituents have been present to express their concerns about the planned activities of the Wabash Valley Resources LLC in our community. To be clear, we have listened to those concerns and are committed to ensuring that all necessary steps to protect the health and safety of our community are in place. We are making this statement to explain how we wish to move forward as a community and not to answer whether anybody was purposely misled about the status of the Wabash Valley Resources permit with the Environmental Protection Agency. All of our business community partners, of which Wabash Valley Resources, LLC is one, need to work to ensure that those community members who have concerns related to the proposed business activities have a clear process to have those concerns explained and addressed. We, as elected officials, will continue to evaluate the situation as it progresses. Additionally, we will utilize all tools at our disposal to ensure everyone choosing to call this community home operates within the rules and with due regard of the legitimate interests of their neighbors." President Thacker said that the statement is coming from both the Commissioners and the Council. Commissioner Mark Clinkenbeard acquiesced with the statement just made by President Thacker. He said the Commissioners were also reaching out to the State Representatives and Senators regarding a meeting regarding Wabash Valley Resources and getting constituents answers to their questions. Commissioner Clinkenbeard also said he had reached out to all Council members via email regarding formation of a joint committee of one Commissioner and three Council members to address the remainder of the ARPA funds, both restricted and unrestricted and has received positive feedback. He will try to schedule a meeting for the first part of December. Council Attorney Michael Wright has provided some guidance on how to move forward with this.

Chief Deputy Auditor Cheryl Loudermilk indicated that she had received confirmation that the LIT/Correctional Rehab funding could be used for the Community Corrections security system and there would be no need for a special call meeting to handle the matter. Bill Watson will keep everyone advised with regard to the quotes he was receiving. Mark Clinkenbeard said that Mr. Watson also had advised that he believed pricing was going to be lower than first anticipated.

President Thacker said he had met with the Judges regarding scheduling an executive session during the first week of December. He will coordinate with all Council members about possibly meeting on December 5 at 5:00.

**Reports from committee(s)**

Council had no further questions. Marie Theisz made a motion to approve Resolution 2023-17. Vicki Weger seconded the motion. Upon a voice vote of 6-0, the motion unanimously passed.

This request had been withdrawn at the Sunshine Meeting.

**NEW BUSINESS:**

**v. Additional Appropriation 2023-68: Infraction Deferral – 2023  
Payroll Amendment, Law Enforcement Grants and Equipment New**

Chief Deputy Auditor Cheryl Loudermilk explained that the 2023 payroll amendment concerned the adjustment granted by the Council for pay increases but the other items had been requested by the Prosecutor's Office. Chief Deputy Prosecutor Rob Roberts was available for discussion but Council had no further questions. Vicki Weger made a motion to approve Additional

Appropriation 2023-68. Nancy Allsup seconded the motion. Upon a voice vote of 6-0, the motion unanimously passed.

**vi. Additional Appropriation 2023-69: Seized Assets - Vehicles**

Rob Roberts said their most recent cash operating balance was \$96,000 and this request will diminish that substantially. However, they have also received some checks from their attorney resolving some other cases which will result in about an additional \$10,000 coming in this week. They closely watch the balance and will never ask for funding without the actual money available to be spent. This is money generated through investigations and the Prosecutor's Office tries to make sure that these are monies spent for law enforcement needs. Councilman Loudermilk advised that he would be abstaining from the vote. This funding will cover the cost of two vehicles minus the trade-in value of the vehicles being replaced. Nancy Allsup made a motion to approve Additional Appropriation 2023-68. Travis Norris seconded the motion. Upon a voice vote of 5-0 with one abstention, the motion passed.

This request was withdrawn.

**viii. Additional Appropriation 2023-71: County General – 2023 Payroll Amendment**

This covers all the departments paid from County General. Vicki Weger made a motion to approve Additional Appropriation 2023-71. Nancy Allsup seconded the motion. Upon a voice vote of 6-0, the motion unanimously passed.

**xii. Additional Appropriation 2023-75: Parks & Recreation – 2023 Payroll Amendment**

This is the appropriation to fund the payroll increases approved earlier in the year. Marie Theisz made a motion to approve Additional Appropriation 2023-75. Vicki Weger seconded the motion. Upon a voice vote of 6-0, the motion unanimously passed.

**xiii. Additional Appropriation 2023-76: Drug Court User Fee – 2023  
Payroll Amendment**

This is the appropriation to fund the payroll increases approved earlier in the year. Cheryl Loudermilk advised that Judge Johnson had obtained a grant for Drug Court. The grant will take care of the salary for the position of Interim Director and will allow for one more position. Drug Court had been given some money in the 2024 budget and will probably need it for things not covered under the grant. Ms. Loudermilk did tell Judge Johnson he would need to put together a plan of operation and submit it to the Council at the beginning of next year.
