To: Miller, Kylissa
Subject: RE: Honey Creek Fire Protection District

Hi, Kylissa. The District's \$75,000 reduction of the 2017 budget will come from the following within Fund 8603 – Special Fire General:

\$65,000 sub-category: utility services; line item code: 36; line item: fire hydrants

\$10,000 sub-category: other services and charges; line item code: 38; line item fire & rescue contract

Let me know if you need anything else. If not, I assume the Auditor now has all the information needed to complete the 2018 budget documents.

Thanks

Will

Will,

I spoke with the Auditor's office this morning and the only document that was received in the Auditor's Office was the document attached to my original email. That document is not specific to which account(s) or line item(s) in your general fund budget that you would like reduced by \$75,000. In order to reduce line 2 on the form 4B, a reduction in 2017 appropriations will be required since the appropriation balance is entered on line 2.

Thanks,

Kylissa

Will,

I just received this and I have a question about the reduction in the Line 2 amount of \$75,000. In order for this to happen, there will have to be a reduction in the 2017 appropriations approved by the council. Do you know specifically what you are going to reduce so the auditor can prepare the forms?

Thanks,

Kylissa

From: Paige, Jackee

Subject: Honey Creek Fire Protection District

Jackee K. Paige
Vigo County Auditor

September 25, 2017

Line item changes for the 2018 budget for the Honey Creek Fire Protection District.

Form 1

	Original Amount	Revised Amount
Utility services	\$ 65,000.00	0
Capitol outlays	\$ 169,804.00	0
Services and Charges		
Fire and Rescue Contract	\$ 2,300,000.00	\$ 2,153,500.00
Total 2018 budget reduction		\$ 381,405.00

Revised Net budget estimate	\$ 2,346,578.00
-----------------------------	-----------------

The remaining \$ 75,000.00 to be reduced will come from
the 2017 General Fund Levy.

Total 2018 budget reduction of	\$ 456,304.00
--------------------------------	---------------

Just be sure to make it clear to them where they are supposed to document the \$75,000 reduction of the 2017 general fund budget. Specifically, Line 2, "Current Year Expenditures", on the levy worksheet needs to be reduced from \$1,203,733 to \$1,128,733.

Jim Bramble
Vigo County Auditor

Mr. Bramble:

Please place this request before the Vigo County Council for attention at their next meeting on September 12, 2017.

I am requesting that an amount of \$15,000 be appropriated from the County General Fund and be put into Account No. 34705 Toxicology. At present we have less than \$3,000 remaining in that account.

The increase in Toxicology funding is due to a very high volume of drug overdoses so far this year. We started out with \$18,000.00 and with it being the end of July we have \$3,000.00 remaining.

I am also requesting an amount of \$15,000.00 be appropriated from the County General Fund and be put into Account No. 32850 Transportation. At present we have less than \$12,000.00 remaining in that account.

Thank you for your assistance in this matter.

Sincerely,

Susan S. Amos, MD

RE: Council Docket for Additional Appropriation

Dear Members of the Vigo County Council:

The Vigo County Public Defender Office is requesting to be put on the Vigo County Council agenda the next time the Council addresses the regular budget to consider an addition appropriation in legal services in the amount of \$20,000.00

Due to the criminal jury trials the amount spent from legal services has increased from previous years. As the date of this letter the legal services line item total remaining in the general budget is \$1,659.09. The legal services line item total remaining in the supplemental budget is \$2,040.95. The total amounts expended in legal services to date is \$19,106.96. The total amount budgeted for legal services in the 2017 general budget is \$21,250.00. The total amount budgeted for legal services in the supplemental budget is \$10,000.00.

Thank you for your attention to this matter.

Subject: RE: Emailing: Council Request

The total amount should be included in the 2018 budget as it is expected to be renewed for the 2018-19 fiscal year at the same or higher amount.

So we should have up to 1/2 of the current amount for this year, then we would have other 1/2 for the first 6 months of 2018.

And then another grant period starting in July 2018, where the money will be renewed. If, for any reason, that part of the grant is not renewed for 2018, we would not be spending any of that money at that point because it is restricted use funds. Because that is the middle of the 2 year budget cycle for the State and the money has already been approved, I do not believe there will be any changes to the process for 2018-19 grant period.

Does that make it clear as mud?

INDIANA SUPREME COURT

30 S Meridian St | Ste 500
Indianapolis, Indiana 46204

Office of Judicial Administration

COURTS.IN.GOV

June 1, 2017

The Honorable Michael Rader
Vigo Superior Court #5
33 South Third Street
Terre Haute, Indiana 47807

Dear Judge Rader:

Your application for a Court Interpreter Grant through the Indiana Office of Court Services has been approved in the amount listed below, for the grant period of July 1, 2017, to December 31, 2017.

Grantee: Vigo Superior Court #5
Award Amount: \$1,000

There has been a change, and you have received this grant as a lump sum payment and will not be required to submit claim vouchers to receive funds. However, you are still expected to submit invoices/receipts for interpreter services rendered and maintain a report of how funds are used. This report is due on September 1, 2017. Please scan and email invoices/receipts to lakesha.triggs@courts.in.gov when the interpreter service is paid. Please put in the subject line: "CIG invoices/receipts." In the body of the email, please include the following:

- Date of interpreter service
- Case type (criminal, family, or civil)
- Whether the interpreter was certified or qualified

As a reminder, under the 2017 Court Interpreter Grant Program Guidelines, court interpreter grant funds may only be used for in-person or video remote court interpreter services during court proceedings, in public access areas such as a clerks' office or in other interactions with court staff for court business, and court-provided or -mandated services, programs, or activities. Whenever reasonable, please use Language Line for brief, routine matters.

Additionally, whenever reasonably possible, funds should be used only for the use of certified interpreters. A registry of Indiana Certified Court Interpreters is available at: <http://www.in.gov/judiciary/interpreter/2358.htm>.

JANE A. SEIGEL, EXECUTIVE DIRECTOR

Many courts use non-certified interpreters in languages for which we offer certification. We ask that you encourage the non-certified interpreters in your community to participate in our Interpreter Certification Program and help promote excellence in interpretation in our Indiana Courts. More information about the Certification Program is available at: <http://www.in.gov/judiciary/interpreter/2383.htm>.

If you have any questions about your grant, please contact LaKesha Triggs at lakesha.triggs@courts.in.gov. Congratulations on your leadership in this area, and thank you for making our courts more accessible and open.

Sincerely,

A handwritten signature in cursive script, appearing to read "Jane Seigel".

RE: Court Interpreter Grant

Dear Council Members,

We are respectfully requesting to be placed on the next Council meeting agenda for October 2017, for the purpose of appropriating a \$1000 Court Interpreter Grant. As you know, per our request, the Council approved \$3,000 for Court Interpreter costs for the 2017 Budget year. With the knowledge that \$3,000.00 may not be sufficient to cover the anticipated interpreter fees, the Court applied for a Court Interpreter Grant through the Indiana Office of Court Services.

In our application for grant funding, in response to questioning, we indicated that we had requested and/or been allocated from the county \$3,000 for court interpreters. Also in response to application questions, we indicated that the only other source for court interpreters besides the 2017 Court grant for interpreters is the county funding.

As we are required by law to provide court interpreter services regardless of a litigant's financial ability to pay, the Vigo County Courts are deficient in funds to pay court interpreters who have already rendered their services. It is possible that even if the County Council appropriates the \$1000 grant from the Indiana Office of Court Services, we will have insufficient funds through the end of this year.

We are hereby requesting that the \$1000 Court Interpreter Grant awarded on June 1, 2017, for the grant period of July 1 through December 31, 2017, be appropriated into the Court's budget, Legal Services as soon as possible so that bills from interpreters can be paid. We are also requesting an additional \$1000 to cover court interpreter costs through the end of the year, which if unused, will revert to the County General Fund.

Sincerely,

Lakshmi Reddy,
Chief Judge

RE: APPROPRIATION OF E-SHARE FUNDS

County Auditor/Council:

I would like to request an appropriation of \$5,000 from the E-Share Asset Fund to 4990.44510.000.0000 Equipment – New. The purpose of this appropriation is to fund equipment for the Project Lifesaver program. By having this equipment, the VCSO would become a partner agency utilizing equipment to locate a lost child or adult with autism or a senior citizen who is prone to wandering away who may suffer from Alzheimer's

This would be a huge step forward in Vigo County and would save valuable time and resources looking for someone who has wandered off. We are working on partnering with area hospitals to provide the bracelets at little to no cost to the families with a child or adult who wander off. I have attached information regarding this program.

Respectfully Submitted,

Greg Ewing, Sheriff

ABOUT PROJECT LIFESAVER

WHAT IS PROJECT LIFESAVER?

Project Lifesaver is a 501 (C)(3) community based, public safety, non-profit organization that provides law enforcement, fire/rescue, and caregivers with a program designed to protect, and when necessary, quickly locate individuals with cognitive disorders who are prone to the life threatening behavior of wandering. The organization was founded in 1999 in Chesapeake, Virginia. The necessity of this program was determined through the correlation between cognitive conditions and the act of wandering. With the dramatic increase of cognitive conditions since the inception of the organization, the program has grown from a localized program to a program recognized internationally as a proven and effective method of **"bringing loved ones home."**

Project Lifesaver was the first to apply such locating techniques to aid in the search and rescue of individuals, and is the most widely used and proven most effective program in the nation that is specifically designed to protect the **"At Risk"** populations in our communities. The program was structured in a way that strategically combined state of the art locating technologies, innovative search and rescue methods, and community policing courses that educated first responders about cognitive conditions. The search times for certified Project Lifesaver agencies have been reduced from hours, potentially days, down to minutes. Recovery times for Project Lifesaver agencies average 30 minutes, which is 95% less time than standard operations without Project Lifesaver.

MEET THE TEAM

HOW DOES THE PROJECT LIFESAVER PROGRAM WORK?

The Project Lifesaver Program is run at a municipality level by public safety agencies. When an agency decides to implement the program, Project Lifesaver International will equip them with the necessary technologies and provide training to those involved. The training includes the use of the equipment, the implementation of the strategic methods specifically designed for the program, and also community policing courses that provide a basic understanding of cognitive conditions to better comprehend the behaviors of an individual with said condition. Also included during training is the use of the PLS Database, which is a useful resource provided to member agencies at no cost. Completion of training is required for certification. Once an agency has become certified, they may begin acquiring clients for their local program.

9/5/2017

About Us | Project Lifesaver

The method relies on proven radio technology and specially trained search and rescue teams. Citizens enrolled in Project Lifesaver wear a small transmitter on the wrist or ankle that emits an individualized frequency signal. If an enrolled client goes missing, the caregiver notifies their local Project Lifesaver agency, and a trained emergency team responds to the wanderer's area. The first responders will then use the client's individualized frequency to locate the position of the individual. The knowledge given from the community policing courses is best applied in this situation because the first responders will know how to best approach the client once found, and allow them to be brought back to safety.

LEADING INNOVATION

Project Lifesaver is the Original – not a copy! PLI strives to find innovative ideas to improve the methods of “bringing loved ones home!”

RE: APPROPRIATION OF E-SHARE FUNDS

County Auditor/Council:

I would like to request an appropriation of \$20,000 from the E-Share Asset Fund to 4990.37650.000.0000 Education/Counselling and Training. The purpose of this appropriation is to fund two one day training course for VCSO staff on Risk Management for Law Enforcement and Liability Reduction. Attached is a bio of the instructor Mr. Gordon Graham. I have had the opportunity to attend one of his courses and found it to be very informative and educational especially during these particular times.

Respectfully Submitted,

Greg Ewing, Sheriff

BIO: GORDON GRAHAM

Gordon Graham is a 33 year veteran of California Law Enforcement. His education as a Risk Manager and experience as a practicing Attorney, coupled with his extensive background in law enforcement, have allowed him to rapidly become recognized as a leading professional speaker in both private and public sector organizations with multiple areas of expertise.

Mr. Graham is a product of "The Greatest Generation." Raised in San Francisco in the 1950s, he not only learned that love of God, love of Country, and love of family was critical, but he was also taught the immense value of continuous learning, hard work and the importance of always doing the right thing. These beliefs and values have become a constant and a catalyst in his busy life.

After his first twelve years of formal education in the Catholic school system, Gordon began his undergraduate work at San Francisco State College during the tenure of S.I. Hayakawa who further reinforced those basic values and beliefs. He was graduated in 1973 with a B.A. in Business.

In 1973 Gordon was selected as a candidate for a major west coast law enforcement agency. Thereafter, he proudly served as a motorcycle officer for most of his first ten years in the Los Angeles area. In addition to his patrol work, he helped design the first DUI task force, assisted in the development of the DRE (drug recognition program), was an instructor in the initial "Mod I and II" Haz Mat program, and wrote his first of many technical papers: "PCP—An Officer's Survival Guide."

Simultaneously he was furthering his formal education during his off hours. Spending two years at Long Beach State College under the tutelage of Dr. Richard Kaywood led to his receiving a Lifetime Teaching Credential.

Following this degree, he attended University of Southern California in their Institute of Safety and Systems Management. He will quickly tell you that this was the best education he ever received from the best and the brightest people in the field. His professors included Chaytor Mason, Ted Ferry, Bill Petak and Harry Hurt. His relationship with Professor Hurt led to his being selected as a team member collecting data for *The Hurt Report*. Published in 1980, this report on motorcycle fatalities was and is recognized as the single greatest treatise on motorcycle safety.

After completing his Masters, his off duty time was then spent at Western State University School of Law, where he was graduated in 1982 with his Juris Doctorate. He passed the California Bar Exam the same year and opened his law offices in Hollywood, where he focused his efforts on family law, immigration and personal injury work.

In his law enforcement life, Gordon was promoted to Sergeant in 1982 and supervised his former unit—the motorcycle cops of his agency assigned to Los Angeles. He and his fellow Sergeants on "B" shift stressed the values and beliefs and built the most productive team of motorcycle officers in the history of the department.

During this time period, he saw deficiencies in how officers were trained, and revolutionized law enforcement training in California with his SROVT program: Solid, Realistic, Ongoing, Verifiable, Training. This daily training bulletin concept resulted in his later being awarded the California Governor's award for excellence in law enforcement training.

His personal life took a definite change for the better when he met his lovely bride, Renee, and they were married in 1983. In 1992 Gordon was transferred to a staff position and assigned to headquarters where he continued his work in law enforcement training. He also sharpened his focus on how his education and training in systems and his legal background could work together to improve the quality of law enforcement operations by incorporating real risk management into police operations.

During this time window he commenced delivering his training programs to private sector organizations, including those involved in commercial real estate, hospital operations, manufacturing companies, aerospace operations, nuclear power plants, auto racing operations and many others.

He also expanded his efforts to assist other public safety organizations and in 2002 worked with Chief Billy Goldfeder to develop [FireFighterCloseCalls.com](#) which is now recognized as "the source" for information about fire fighter safety. This effort led to his assisting the International Association of Fire Chiefs with a similar effort—and the development of their [FireFighterNearMiss.com](#) safety site. In 2005 the IAFC awarded Gordon with the Presidential Award for Excellence for his lifelong work in improving firefighter safety and performance.

In 2002, along with Bruce Praet, Gordon became a founder of [Lexipol](#)—a company designed to standardize policy, procedure and training in public safety operations. Today, most of the law enforcement agencies in California are using the Lexipol Knowledge Management System and nearly half of the States are now using this approach to law enforcement operations. This effort has greatly improved the safety of police personnel while also influencing a dramatic reduction in claims, settlements and verdicts adverse to law enforcement agencies.

Gordon held his law enforcement headquarters assignment until his service retirement in 2006. In 2008, he was awarded the Lifetime Achievement Award from California POST. In 2015, he received the Lifetime Dedication Award from the International Public Safety Leadership and Ethics Institute.

Graham Research Consultants - About GRC - Bio: Gordon Graham

Today, Gordon divides his time between study, research, writing, speaking, and consulting in the discipline of risk management. His innovative programs, based on the values and beliefs he learned as a child along with a passion for continuous improvement, are the standard for any organization that wants to improve existing operations and prevent things from going wrong.

He and "Mrs. G" are the proud parents of two adult children—who hopefully will take the values and beliefs along with them in their personal and professional lives. A resident of Southern California, he enjoys spending every possible moment with Mrs. G "cruising the coast" either in their vintage wooden boat or their wooden car and finding new adventures and new places to enjoy a great meal.

RE: APPROPRIATION OF E-SHARE FUNDS

County Auditor/Council:

I would like to request an appropriation of \$14,000 from the E-Share Asset Fund to 4990.44510.000.0000 Equipment – New. The purpose of this appropriation is to fund an unmanned aerial vehicle (UAV) for use in locating fleeing suspects, situational awareness or any event that would require an overhead view where applicable by law. This program would complying with current laws and regulations in operating of a UAV and proper licensing and piloting course.

Respectfully Submitted,

Greg Ewing, Sheriff

VIGO SUPERIOR COURT, DIVISION 5

HONORABLE MICHAEL RADER, JUDGE

VIGO COUNTY COURTHOUSE, 33 SOUTH THIRD STREET, TERRE HAUTE, INDIANA 47807 812-462-3266

August 10, 2017

Mr. James Bramble
Vigo County Auditor

I request the Drug Court budget be placed on the next Council call on August 15, 2017 to advise Council how the \$11,090.83 placed in our cash balance from the Old National Bank account will be applied. I request it to be appropriated for drug screens, further education for defendants, transportation for defendants, and rewards for the defendants.

MICHAEL RADER, JUDGE
Vigo Superior Court, Division 5

Proposal for Funds:

\$11,090 has been deposited in the Drug Court Account 2511

Transportation	\$2,700.00
Education	\$ 900.00
Screens	\$5,400.00
Incentives	\$ 600.00
<u>Breathalyzer</u>	<u>\$ 919.00</u>
TOTAL	\$10,519.00

This leaves a Balance of \$571.00 for Miscellaneous

Budget Narrative

A. TRANSPORTATION ASSISTANCE

Transportation assistance would allow 5 bus passes per month to be purchased and then used by participants to meet the requirements of the program. 5 passes @ \$45 = \$225 per month. 12 months equals \$2,700.00. This enables participants to meet requirements of the program such as appearing for status hearings and sessions, find employment, and participate in treatment.

Total Transportation Assistance = \$2,700.00

B. EDUCATION ASSISTANCE

Education Assistance would allow the program to assist participants in furthering their education, through classes and TASC Testing (G.E.D.) The program would assist 10

VIGO COUNTY

DRUG COURT

Vigo County Courthouse, 33 South Third Street
Terre Haute, Indiana 47807 (812) 231-1488*

clients per year to receive a TASC (G.E.D.) certificate at the cost of \$90.00 per test. This contribution would enable participants to find and keep better jobs at higher salaries, allowing them to financially provide and give back to society. The cost is 10 certificates @ \$90.00 each equaling \$900.00 per year.

Total Education Assistance = \$900.00

C. SCREENS ASSISTANCE

Screen Assistance will allow participants assistance in paying for required screens. This allows the program to monitor and supervise accurately and affordably. On an average each participant is required to screen twice weekly with one monthly random. The cost for this is \$135.00 monthly for each participant. Participants who struggle financially would be assisted. Assisting participants pay one screen per month if needed will allow participants to pay other fees including but not limited to: treatment, medicine, and program fees. The cost is one screen per month for 12 months for each participant, (\$15 X 12 months X 30 participants = \$5,400.00

Total Screen Assistance = \$5,400.00

D. INCENTIVE ASSISTANCE

Most participants have been sanctioned or punished their entire lives. Research by the National Association of Drug Court Professionals and Indiana Offices of Court Services show that incentives boost morale, encourage compliance, increase commitment, and escalate success/graduation rates. Incentive assistance would allow the program to give participants a reward for compliance, progress and change. The cost would be \$50.00 per month for a year. This assistance would equal a \$600.00 total.

Total Incentive Cost = \$600.00

E. BREATHALYZER

Purchasing a breathalyzer would allow home visits and monitoring of participants to increase compliance and success in the program. The average cost of a quality machine is \$339.00, calibrating \$150.00 and supplies for breath test tubes for one year are \$430.00. Total cost is \$919.00
