6. That the Council has considered the Petitioner's total investment in real and personal property, the number of new full-time equivalent jobs created by the Project, the average wage of the new employees compared to the State minimum wage and the infrastructure requirements for Petitioner's investment and, based on such factors, has determined that the petition for designating the subject property as an economic revitalization area for the purposes of 10 year personal property tax abatement and the Statement of Benefits copies of which were submitted with the petitions are hereby approved and the subject property is hereby designated as an Economic Revitalization Area pursuant to I.C. 6-1.1-12.1-1 et. seq., and petitioner is entitled to the 10 year personal property tax abatement provided therein for the proposed project in accord with the schedule attached hereto.

NOW, THEREFORE, for final action on Resolution No 2019-1 the Council RESOLVES, FINDS AND DETERMINES:

1. That all of the requirements for designation of the real estate described in Resolution No. 2019-1 (the "Original Resolution") as an Economic Revitalization Area have been met, the foregoing findings and the findings in the Original Resolution are true and that all information required to be submitted has been submitted in proper form.

2. That the Original Resolution is in all respects confirmed and approved (as modified to incorporate therein this final action) and that the benefits of the proposed project and the redevelopment and rehabilitation are sufficient to justify a 10 year personal property tax abatement under Indiana statutes for the proposed project and redevelopment and rehabilitation described in the petitioner's Statement of Benefits and the deduction for the proposed project and redevelopment and rehabilitation and the Statement of Benefits submitted is approved and the Council authorizes and directs the endorsement of said Statement of Benefits to show such approval and that the real estate described in the Original Resolution is declared an economic revitalization area for the purposes of a 10 year personal property tax abatement and the said real estate is hereby designated as an Economic Revitalization Area pursuant to I.C. 6-1.1-12.0-1 et. seq. and petitioner is entitled to a 10 year personal property tax abatement as provided therein in accord with the attached Deduction Schedule in connection with the acquisition of the personal property described in the statement of benefits and the proposed redevelopment/rehabilitation and the project.
