RESOLUTION NO. 2019- 6

A Resolution of the County Council of
Vigo County, Indiana, Designating an Area Within
Vigo County, Indiana as an Economic Revitalization Area
for the Purpose of a Personal Property Tax Abatement

WHEREAS, A Petition for a personal property tax abatement has been filed with the County Council of Vigo County, Indiana (hereinafter "County Council") requesting that the property described therein be designated an Economic Revitalization Area for purposes of personal property tax abatement; and

WHEREAS, **Verdeco Recycling Midwest, Inc.** (hereinafter the "petitioner") has submitted a Statement of Benefits and provided all information and documentation necessary for the County Council to make an informed decision, said information including a description of the real property which is more particularly described in **Exhibit A**.

WHEREAS, petitioner has represented and presented evidence that in connection with this Project it currently has 32 existing full-time jobs in Indiana, and \$1,678,000.00 annual Indiana payroll (which existing jobs and payroll will be retained), but on completion of this project will create approximately one (1) new permanent full-time job with a total annual payroll of approximately \$60,000 plus benefits. Petitioner has further represented and presented evidence that the cost of this project will be approximately \$4,880,000.00 for new manufacturing equipment (the "manufacturing equipment").

WHEREAS, the County Council is authorized under the provisions of I.C. 6-1.1-12.1-1, et seq. to designate areas of the County as economic revitalization areas for the purpose of tax abatement; and

WHEREAS, the County Council has considered the Statement of Benefits and has conducted a complete and proper investigation of the subject property and neighborhood to determine that the area qualifies as an economic revitalization area under Indiana statutes; and

WHEREAS, the County Council has found the subject property to be an area where facilities that are technologically, economically or energy obsolete, are located and where the obsolescence may lead to a decline in employment and tax revenues and has become undesirable for or impossible of normal development and occupancy because of a lack of development, cessation of growth, deterioration of improvements, character of occupancy, age, obsolescence, substandard buildings and other factors, which prevent normal development or use;

NOW, THEREFORE, IT IS FOUND, DETERMINED AND RESOLVED by the County Council of Vigo County, Indiana, that:

1. The petitioner's estimate of the cost of new manufacturing equipment is reasonable for manufacturing equipment of that type in view of current technologies.
2. The petitioner's estimate of the number of individuals who will be employed and retained, and the benefits thereby, can reasonably be expected to result from the project and installation of new manufacturing equipment.
3. The petitioner's estimate of the annual salaries or wages of the individuals who will be employed, and the benefit thereby, can reasonably be expected to result from the project and the installation of the new manufacturing equipment.
4. That the benefits about which information has been requested can reasonably be expected to result from the installation of the new manufacturing equipment.
5. The totality of the benefits of the proposed project and installation of the new manufacturing equipment can reasonably be expected to result from the project and are sufficient to justify personal property tax abatement over a 10-year deduction period, and each such deduction should be, and they are hereby, allowed in the amount determined under IC 6-1.1-12.1-17(b) and the following schedule:

YEAR OF DEDUCTION	PERCENTAGE
1st	100%
2nd	90%
3rd	80%
4th	70%
5th	60%
6th	50%
7th	40%
8th	30%
9th	20%
10th	10%
11th and thereafter	0%

6. That the Statement of Benefits submitted to the County Council is hereby approved and the real estate described in **Exhibit A** (the "Real Estate") is hereby designated as an Economic Revitalization Area pursuant to I.C. 6-1.1-12.1-1, et seq. and petitioner is entitled to personal property tax abatement over a 10-year deduction period as provided therein for the proposed acquisition of the new manufacturing equipment.

7. Notice of the adoption and substance of this Resolution shall be published according to I.C. 5-3-1 stating the adoption and substance hereof, stating a date for the public hearing at which the County Council will hear and receive remonstrances and objections, and take final action on the designation of the Real Estate as an Economic Revitalization Area, the approval of the Statement of Benefits, and the consideration of the adoption of the waivers, and stating that a copy of the description of the affected area

is available for inspection in the County Assessor's Office, all as required by law.

8. That this Resolution is supplementary to and in addition to any prior resolutions.

Passed in Open Council this 2nd day of April, 2019.
