RESOLUTION NO. 15

**RESOLUTION OF THE COUNTY COUNCIL OF VIGO  
COUNTY, INDIANA PLEDGING THE COUNTY'S  
SPECIAL PURPOSE INCOME TAX REVENUES AND JAIL  
INCOME TAX REVENUES TO THE PAYMENT OF LEASE  
RENTAL UNDER A LEASE WITH THE VIGO COUNTY  
BUILDING CORPORATION AND APPROVING  
MATERIALS RELATED THERETO**

WHEREAS, the Board of County Commissioners of Vigo County, Indiana (the "Board") determined a need exist for the Board (1) to enter into negotiations with a nonprofit building corporation for all or any portion of the financing of the acquisition, construction, improvement, and/or equipping of all or any portion of a new county jail facility, located at 600 West Honey Creek Drive (lot 1 of a subdivision of 500 West Honey Creek Drive), Terre Haute, Indiana,, 47802, all to be used for the purposes of providing incarceration, community corrections or other law enforcement or criminal justice services by Vigo County, Indiana (the "County"), and (2) to enter into a lease between a nonprofit building corporation, as lessor, and the County, as lessee, for all or a portion of the new jail facility, including the site and appurtenances thereto (the "Project"); and

WHEREAS, the Vigo County Building Corporation (the "Building Corporation") was incorporated to assist the County in financing, from time to time, the construction and renovation of County facilities to be operated by the County, including the Project; and

WHEREAS, to provide for the financing and construction of the Project, there has been presented to the County Council of Vigo County, Indiana (the "Council") a form of Lease, between the Corporation, as lessor, and the County as lessee (the "Lease"); and

WHEREAS, the lease rentals under the Lease are payable from (i) the revenues of the special purpose income tax levied and collected by the County pursuant to Indiana Code § 6-3.6-7-25 (the "Special Purpose Income Tax Revenues") and the revenues of the income tax levied and collected by the County pursuant to Indiana Code § 6-3.6-6-2.7 (the "Jail Income Tax Revenues"), and (ii) to the extent that the Special Purpose Income Tax Revenues and the Jail Income Tax Revenues (collectively, the "Pledged Income Tax Revenues") are insufficient to pay such amounts, from the revenues of an *ad valorem* tax levied by the County on all taxable property in the County pursuant to the Indiana Code § 36-1-10-17 (the "Property Tax Revenues"); and

WHEREAS, the Council has received on the date hereof information regarding the anticipated Pledged Income Tax Revenues to be received by the County during the term of the Lease; and

WHEREAS, the County Council of the County (the "County Council") desires to approve the Lease and pledge the Pledged Income Tax Revenues to the payment of lease rentals due under the Lease pursuant to the terms of this Resolution.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNTY COUNCIL OF VIGO COUNTY, INDIANA, THAT:

Section 1. Findings; Approval of Lease. After investigation, the Council hereby finds and determines that a need exists for the Project and that the Project to be financed through the Lease will be of public utility and benefit to the County. The Council further determines that the Project cannot be acquired, constructed, improved and equipped from any funds available to the County. The Council hereby approves the Lease in substantially the form presented on the date hereof, and the County shall proceed to take such steps as may be necessary to secure the acquisition, construction, equipping and leasing of the Project as provided by Indiana Code 36-1-10.

Section 2. Pledge of Pledged Income Tax Revenues. Pursuant to Indiana Code § 5-1-14-4, Indiana Code § 6-3.6-6-2.7, and Indiana Code § 6-3.6-7-25, the Council hereby pledges the Pledged Income Tax Revenues to the payment of all lease rental due under the Lease. The Council hereby finds and determines that the County reasonably expects to pay all lease rentals due under the Lease from the Pledged Income Tax Revenues and not from the Property Tax Revenues. To the extent that the Pledged Income Tax Revenues are insufficient to pay such amounts, the lease rental shall be payable from the Property Tax Revenues.

For clarity, the lease rentals due under the Lease are not payable from additional revenue received by the County from economic development allocation of the expenditure rate levied and levied and collected pursuant to Indiana Code 6-3.6-6 (the "EDIT Revenues"), which EDIT Revenues have been pledge to the payment of the County's Economic Development Revenue Refunding Bonds of 2016 (the "2016 Bonds"), issued pursuant to Ordinance No. 2016-01, adopted by the Council on the June 14, 2016. The lease rentals under the Lease and the 2016 Bonds are payable from different sources of security and are not on a parity with one another.

Section 3. Issuance of Parity Obligations. The County reserves the right to authorize and issue bonds or incur additional lease or other obligations entitled to the pledge of Pledged Income Tax Revenues on a parity with the Lease in accordance with the requirements set forth below ("Parity Obligations"). The authorization and issuance of Parity Obligations shall be subject to the following conditions precedent:

(a) All payments due under the Lease and all payments on any Parity Obligations payable from Pledged Income Tax Revenues shall be current to date in accordance with the terms thereof, with no payment in arrears.

(b) For Parity Obligations payable from Pledged Income Tax Revenues, the County shall have received a certificate prepared by an independent, qualified accountant or feasibility consultant certifying the amount of the Pledged Income Tax Revenues estimated to be received in each succeeding year shall be at least equal to one hundred twenty-five percent (125%) of the lease rental and debt service requirements with respect to the Lease and the proposed Parity Obligations for each respective year during the term of the Lease and the Parity Obligations. If when the proposed Parity Obligations are issued, the Council shall have finally approved an increase in the income tax rate, the Pledged Income Tax Revenues estimate described in the preceding sentence may be adjusted to take the increased income tax rate into account. The

County shall approve and confirm the figures and estimates set forth in the above-described certificate in any resolution or ordinance authorizing the Parity Obligations.

(c) Payments of any Parity Obligations payable from Pledged Income Tax Revenues shall be payable semiannually on January 1 and July 1.

The terms and conditions of any Parity Obligations shall be set forth in the ordinance or resolution authorizing such Parity Obligations.

The County may issue obligations payable from Pledged Income Tax Revenues on a junior basis to the Lease and the Parity Obligations. Any such junior obligations shall be payable semiannually on January 1 and July 1.

Section 4. Sinking Fund. (a) There is hereby created a separate fund designated as the Sinking Fund, which shall consist of a Principal and Interest Account and a Reserve Account. One day prior to each January 1 and July 1, there shall be deposited in the Principal and Interest Account an amount of Pledged Income Tax Revenues, which together with any money contained in the Principal and Interest Account is sufficient to pay the lease rentals or principal of and interest on the Lease and the Parity Obligations therewith due on the following January 1 and July 1. No such deposit need be made into the Principal and Interest Account if the amount contained therein is sufficient to pay such amounts. All money in the Principal and Interest Account shall be used and withdrawn solely for the purpose of paying the lease rentals or principal of and interest on the Lease and any Parity Obligations, including accrued interest on any such obligations purchased or redeemed prior to maturity.

(b) Reserve Account. If it is determined by the Board, with the advice of the County's financial advisor, to establish a reserve account for the Lease, then, on the date of issuance of the bonds of the Building Corporation to finance the Project (the "Bonds"), Pledged Income Tax Revenues or a portion of the proceeds of the Bonds shall be deposited in Reserve Account in an amount sufficient to maintain the Reserve Account in the full amount of the Debt Service Reserve Requirement (as defined below). After making the required deposits into the Principal and Interest Account under Section 4(a), Pledged Income Tax Revenues shall be set aside from the Sinking Fund and (a) deposited in the Reserve Account in an amount sufficient to maintain the Reserve Account in the full amount of the Debt Service Reserve Requirement, and (b) deposited in any reserve account established for any Parity Obligations secured by a reserve other than the Reserve Account in the amount required thereby. No deposit need be made in the Reserve Account so long as there shall be on deposit therein a sum equal to but not exceeding the least of (i) the maximum annual debt service and lease rentals due on the Lease and any Parity Obligations secured by the Reserve Account, (ii) 125% of the average annual debt service and lease rentals due on the Lease and any Parity Obligations secured by the Reserve Account, or (iii) 10% of the proceeds of the Bonds and any Parity Obligations secured by the Reserve Account, plus a minor portion as defined in the Code (the "Debt Service Reserve Requirement"). All money in the Reserve Account shall be used and withdrawn solely for the purpose of making deposits into the Principal and Interest Account, in the event of any deficiency at any time in such account, or for the purpose of paying the interest on or principal of or redemption premiums or lease rentals due, if any, on the Lease and any Parity Obligations secured by the Reserve Account, in the event that no other money is lawfully available therefor. Any amount in the

Reserve Account in excess of the Debt Service Reserve Requirement shall be withdrawn from the Reserve Account and deposited in the Principal and Interest Account. Money in the Reserve Account shall also be available to make the final payments of interest and principal or lease rentals due on the Lease and any additional Parity Obligations secured by the Reserve Account.

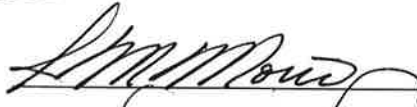

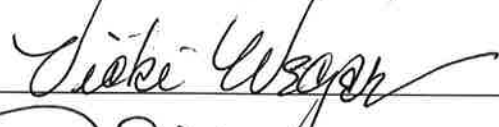

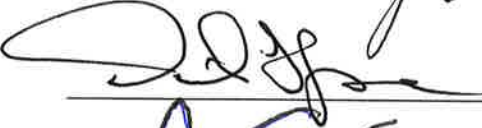

The County may at any time and from time to time fund all or any part of the Reserve Account by depositing in the Reserve Account one or more debt service reserve surety bonds or insurance policies (each, a "Reserve Account Credit Instrument"). Each Reserve Account Credit Instrument shall be issued by either (i) an insurance company whose long term debt obligations are rated at the time of the deposit of the Reserve Account Credit Instrument in one of the highest two Rating Categories by Standard & Poor's Ratings Services or Moody's Investors Service, or (ii) a bank or trust company which has an outstanding, unsecured, uninsured and unguaranteed debt issue rated at the time of the deposit of the Reserve Account Credit Instrument in one of the two highest Rating Categories by Standard & Poor's Ratings Services or Moody's Investors Service. As long as any Reserve Account Credit Instrument is in full force and effect, any valuation of the Reserve Account shall treat the maximum amount available under such Reserve Account Credit Instrument as its value.

Section 5. General. Any member of the Board of Commissioners or the County Council, the Auditor of the County, and the County Attorney are hereby authorized, empowered and directed, on behalf of the County to take any other action as such individual deems necessary or desirable to effectuate the foregoing resolutions, and any actions heretofore made or taken be, and hereby are, ratified and approved.

Section 6. Effective Date. This resolution shall be in full force and effect from and after its passage.

DULY ADOPTED on this 10<sup>th</sup> day of September, 2019, by the County Council on Vigo County, Indiana.

We strongly support this grant application, its focus on outdoor learning experiences, accessibility and collaboration with the Vigo County Parks and Recreation Department.
