Corrections to the Journal of the preceding meeting

a. October 3, 2019

Motion: to approve, **Action:** Approved, **Moved by:** Councilman David Thompson,
Seconded by: Councilman Chris Switzer.

Motion passed unanimously.

Public Comment

Martina Hull from Operation Vanguard talked about the lack of heating and cooling centers for the homeless. She participates each year in the awareness campaign fundraiser by sleeping outside for a week to raise money for the cause. She appealed to the Council for assistance in getting funding from the government for this worthy cause.

Communications from elected officials, other officials or agencies of the County

- a. Councilwoman Spence-Bunnett advised that she had recently spoken with Sheila Priester and staff at Group Homes. They are very happy with the Council support.
Councilwoman Spence-Bunnett also presented a draft of a new Request of Council form that she had been working on with Kylissa Miller, Jim Bramble and some of the departments. She hopes to have a more complete form to present to the Council in January. She also commented on the work she had been doing to create a form that was more clear with regard to tax abatements. She was working in conjunction with the City in an effort to create a form that could be used by both entities in order to enable prospective new businesses to have a better understanding of what Terre Haute had to offer that would be somewhat uniform no matter if they were going to be located in the city or the county.
- b. Commissioner Kearns commented on fundraising regarding warming/cooling centers. The Vigo County Fairgrounds has been negotiated to use as an additional facility for one of the centers the next time we have a sub-zero event. It has been a concern that there is

a need to have enough centers throughout the county, one reason being that people who need to be kept separated from certain individuals, for medical or for whatever reason, have someplace to go.

- ii. ***Final Reading of Abatement for D&D Automation Inc., Resolution 2019-17 Personal Property Tax Abatement D&D Automation Inc.***

Dave Decker, owner of D&D Automation and Midwest Investments and Jeff Lind of Lind Law Firm, were present representing Midwest Investments for Real Property Resolution 2019-16 and D&D Automation, Inc. Personal Property Resolution 2019-17 for an 8 year tax abatement. Attorney Lind indicated that he was providing a new set of forms for signatures (at the request of Council Attorney Effner) with the only difference being with regard to Resolution 2019-16, the word “personal” was inadvertently used on one page rather than “real” and with regard to Resolution 2019-17, an additional attachment was being supplied that was referred to in the forms but had been omitted. Other than these two changes, which did not affect the abatement, everything was identical and accurate. Council Attorney Robert Effner indicated that he wanted the new forms provided tonight signed rather than the ones previously submitted.

WHEREAS, said matter is before the Vigo County Council for final action pursuant to Indiana law; and

WHEREAS, the Vigo County Council has received and examined, prior to such hearing, a Statement of Benefits on the form prescribed by the State Board of Tax Commissioners, and has heard all appropriate evidence concerning the proposed project and has found and does find:

1. That the area has become undesirable for, or impossible of, normal development and occupancy because of a lack of development, cessation of growth, deterioration of improvements or character of occupancy, age, obsolescence, substandard buildings, or other factors which have impaired values or prevent a normal development of property or use of property.
2. That the estimate of the cost of the redevelopment and rehabilitation-is reasonable for projects of that type.
3. That the estimate of individuals who will be employed or whose employment will be retained as a result of the redevelopment and rehabilitation can reasonably be expected to result from the proposed project.
4. The estimate of annual salaries of those individuals who will be employed or whose employment will be retained can reasonably be expected to result from the proposed redevelopment and rehabilitation and the project.
5. That the benefits can reasonably be expected to result from the proposed redevelopment and rehabilitation and the project.
6. That the totality of benefits of the Project are sufficient to justify an eight (8) year real property tax deduction from assessed valuation to result therefrom under

Indiana statutes, and each and all of such deductions should be, and are hereby, allowed.

7. That the real property is located within an Economic Revitalization Area as required by Indiana Code 6-1.1-12.1-2 for the type of facility proposed by Petitioner.
8. That all qualifications for establishing an economic revitalization area have been met.
9. That the Petition for designating the subject property as an Economic Revitalization Area for the purposes of an eight (8) year real property improvement tax abatement and the Statement of Benefits (copies of which were submitted with the Petition) are hereby approved and the real estate described hereinabove is hereby designated as an Economic Revitalization Area pursuant to I.C. 6-1.1-12.1-1 *et. seq.*

NOW, THEREFORE, for final action on Resolution 2019-16, the Vigo County Council, RESOLVES, FINDS AND DETERMINES that:

1. All of the requirements for designation of the real estate described in Resolution 2019-16, as an Economic Revitalization Area have been met, the foregoing findings are true and that all information required to be submitted has been submitted in proper form.
2. Resolution 2019-16, is in all respects confirmed and approved (as modified to incorporate therein this final action) and that the benefits of the proposed project and the redevelopment and rehabilitation are sufficient to justify an eight (8) year real property tax abatement under Indiana statutes for the proposed redevelopment and rehabilitation described in the petitioner's Statement of Benefits and the deduction for the proposed project and redevelopment and rehabilitation and the statements of benefits submitted are approved and the Council authorizes and directs the endorsement of said Statement of Benefits to show such approval and that the real estate described in Resolution 2019-16, is declared an economic revitalization area for the purposes of an eight (8) year real

property tax abatement and the said real estate is hereby designated as an Economic Revitalization Area pursuant to I.C. 6-1.1-12.1-1 *et. seq.* and petitioner is entitled to the eight (8) year real property tax abatement as provided on Exhibit A attached hereto in connection with the proposed development and the project.

3. Said Resolution supplements any other designation of the real estate as a Revitalization Area or similar designation.

WHEREAS, the Vigo County Council has conducted the hearing as required by law and has received no remonstrances or objections to designation of the affected area as a revitalization area or to approval of the Application and the Statement of Benefits heretofore filed; and

WHEREAS, said matter is before the Vigo County Council for final action pursuant to Indiana law; and

WHEREAS, the Vigo County Council has received and examined, prior to such hearing, a Statement of Benefits on the form prescribed by the State Board of Tax Commissioners and has heard all appropriate evidence concerning the proposed project and has found and does find:

1. That the area has become undesirable for, or impossible of, normal development and occupancy because of a lack of development, cessation of growth, deterioration of improvements or character of occupancy, age, obsolescence, substandard buildings, or other factors which have impaired values or prevent a normal development of property or use of property.
2. That the estimate of the cost of the redevelopment and rehabilitation is reasonable for projects of that type.
3. That the estimate of individuals who will be employed or whose employment will be retained as a result of the redevelopment and rehabilitation can reasonably be expected to result from the proposed project.
4. The estimate of annual salaries of those individuals who will be employed or whose employment will be retained can reasonably be expected to result from the proposed redevelopment and rehabilitation and the project.
5. That the benefits can reasonably be expected to result from the proposed redevelopment and rehabilitation and the project.

6. That the totality of benefits of the Project are sufficient to justify an eight (8) year personal property tax deduction from assessed valuation to result therefrom under Indiana statutes, and each and all of such deductions should be, and are hereby, allowed.
7. That the real property is located within an Economic Revitalization Area as required by Indiana Code 6-1.1-12.1-2 for the type of facility proposed by Petitioner.
8. That all qualifications for establishing an economic revitalization area have been met.
9. That the Petition for designating the subject property as an Economic Revitalization Area for the purposes of an eight (8) year personal property tax abatement and the Statement of Benefits on new, or new to Indiana, equipment (copies of which were submitted with the Petition) are hereby approved and the real estate described hereinabove is hereby designated as an Economic Revitalization Area pursuant to I.C. 6-1.1-12.1-1 *et. seq.*

NOW, THEREFORE, for final action on Resolution 2019-17, the Vigo County Council, RESOLVES, FINDS AND DETERMINES that:

1. All of the requirements for designation of the real estate described in Resolution 2019-17, as an Economic Revitalization Area have been met, the foregoing findings are true and that all information required to be submitted has been submitted in proper form.
2. Resolution 2019-17, is in all respects confirmed and approved (as modified to incorporate therein this final action) and that the benefits of the proposed project and the redevelopment and rehabilitation are sufficient to justify an eight (8) year personal property tax abatement under Indiana statutes for the proposed redevelopment and rehabilitation described in the petitioner's Statement of Benefits and the deduction for the proposed project and redevelopment and rehabilitation and the statements of benefits submitted are approved and the Council authorizes and directs the endorsement of said Statement of Benefits to

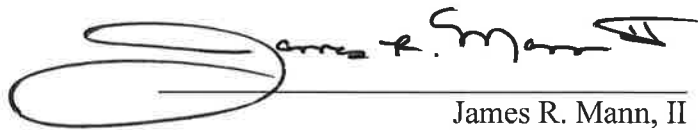

show such approval and that the real estate described in Resolution 2019-17, is declared an economic revitalization area for the purposes of an eight (8) year personal property tax abatement and the said real estate is hereby designated as an Economic Revitalization Area pursuant to I.C. 6-1.1-12.1-1 *et. seq.* and petitioner is entitled to the eight (8) year personal property tax abatement as provided in the attached Exhibit A in connection with the proposed development and the project.

3. Said Resolution supplements any other designation of the real estate as a Revitalization Area or similar designation.
4. That this Final Action, findings and confirmation of Resolution 2019-17, shall be incorporated in and be a part of Resolution 2019-17.

- (2) The number of new full-time equivalent jobs created.
- (3) The average wage of the new employees compared to the state minimum wage.
