Certification of Seelyville Election -They did the whole election on their own -Kara questioned the procedure they followed to run their elections. -By Indiana State Law they certified the Election.

NOTE TO BOARD: for future Small Town Elections that they run themselves, we need to have watchers for tabulation process at the end of night. Provisional Ballots were gone over and they are broke down on a separate sheet. We had 23 this Election and 12 were

Approved with 6 of those needing to be remakes. Absentee Ballot Signatures were then gone over and after reviewing signatures with signature history 3 out of the 4 of them were Approved. One Military Ballot was Approved and remade as well. So we had a total of 12 denied provisional votes and 16 Approved votes with 7 remakes.

Election Night Unofficial Results with the Precinct results that the approved ballots reflected are as following: 24,084 votes

345-5E 423-6A 157-7A 171-7C 673-8C 454-9D 666-9F 588-9G  
339-FA-B 535-HC-G 317-OC-B 308-OC-D 226-OC-E 317-OC-G 356-RI-B

After Provisionals, Signature and Military ballots are remade and added to the vote totals the Official Results for the Election and the Precincts it affected are as follows: 24,100 votes

346-5E(+1)	424-6A(+1)	159-7A(+2)	172-7C(+1)	674-8C(+1)	455-9D(+1)	667-9F(+1)	589-9G(+1)	340-FA-B(+1)	536-HC-G(+1)	318-OC-B(+1)	309-OC-D(+1)	227-OC-E(+1)	318-OC-G(+1)	357-RI-B(+1)
