Annual Tax Abatement Compliance Review, ROC 2021-031

It was felt that it was appropriate to go through each abatement individually and decide if each is compliant or not and requires further explanation at the Sunshine Meeting in August.

Steel Dynamics Heartland, LLC (Personal Property) After a brief discussion, it was felt that Steel Dynamics was in good shape. Brenda Wilson made a motion that Steel Dynamics Heartland, LLC was in substantial compliance. David Thompson seconded the motion. Upon a roll call vote of 6-0, the motion unanimously passed.

ADVICS Manufacturing Indiana, LLC (Personal Property) After a brief discussion about what constituted “substantial compliance,” it was felt that ADVICS Manufacturing was in good shape. Vicki Weger made a motion that ADVICS Manufacturing Indiana, LLC was in substantial compliance. Marie Theisz seconded the motion. Upon a roll call vote of 6-0, the motion unanimously passed.

Verdeco Recycling Midwest, Inc. (Personal Property-2014) After a brief discussion, it was felt that Verdeco Recycling Midwest, Inc. for 2014 was in substantial compliance. Marie Theisz made a motion that Verdeco Recycling Midwest, Inc. for 2014 was in substantial compliance. Vicki Weger seconded the motion. Upon a roll call vote of 6-0, the motion unanimously passed.

Verdeco Recycling Midwest, Inc. (Personal Property-2019) After a brief discussion, it was felt that even though the numbers were slightly less than originally estimated, Verdeco Recycling Midwest, Inc. for 2014 was substantially compliant. Vicki Weger made a motion that Verdeco Recycling Midwest, Inc. for 2019 was in substantial compliance. Marie Theisz seconded the motion. Upon a roll call vote of 6-0, the motion unanimously passed.

Casey’s Marketing Company (Personal Property) After a brief discussion, it was felt that Casey’s Marketing Company was in substantial compliance. David Thompson made a motion that Casey’s Marketing Company was in substantial compliance. Vicki Weger seconded the motion. Upon a roll call vote of 6-0, the motion unanimously passed.

Casey’s Marketing Company (Real Property) After a brief discussion, it was felt that Casey’s Marketing Company was in substantial compliance. David Thompson made a motion that Casey’s Marketing Company was in substantial compliance. Brenda Wilson seconded the motion. Upon a roll call vote of 6-0, the motion unanimously passed.

Futurex Industries, Inc. (Real Property) After a brief discussion, it was felt that Futurex Industries, Inc. was in substantial compliance. Brenda Wilson made a motion that Futurex Industries, Inc. was in substantial compliance. David Thompson seconded the motion. Upon a roll call vote of 6-0, the motion unanimously passed.

Futurex Industries, Inc. (Personal Property) After a brief discussion, it was felt that Futurex Industries, Inc. was in substantial compliance. Travis Norris made a motion that Futurex Industries, Inc. was in substantial compliance. David Thompson seconded the motion. Upon a roll call vote of 6-0, the motion unanimously passed.

Select Genetics, LLC (Personal Property) After a brief discussion, it was felt that Futurex Industries, Inc. was in good shape. David Thompson made a motion that Futurex Industries, Inc. was in substantial compliance. Brenda Wilson seconded the motion. Upon a roll call vote of 6-0, the motion unanimously passed.

Select Genetics, LLC (Real Property) After a brief discussion, it was felt that Futurex Industries, Inc. was in substantial compliance. David Thompson made a motion that Futurex Industries, Inc. was in substantial compliance. Brenda Wilson seconded the motion. Upon a roll call vote of 6-0, the motion unanimously passed.

Thyssenkrupp Presta North America, LLC (Personal Property) Councilman Thompson asked if the numbers shown on the CF-1 were correct. There were inconsistencies with the figures shown. Council Administrator Kylissa Miller stated that they had amended the form but the numbers were still not making sense. It was also

noted that the numbers on the forms for both real and personal were identical and that is not normal. It was stated that if the Council was not comfortable with the reporting, they could ask the company to appear at the next Council meeting and explain their reporting before the Council decided if they were or were not substantially compliant. Brenda Wilson made a motion to not approve this tonight and to ask representatives of the company to appear at the August meeting to explain the reporting. President Loudermilk then asked Council Attorney Robert Effner about the appropriate way to handle this matter. There was an in-depth discussion. Consequently, Ms. Wilson withdrew her prior motion and then made a motion to send a written notice 30 days prior to the August meeting asking Thyssenkrupp Presta North America, LLC to attend and explain the discrepancies in the CF-1 forms they submitted for both personal property and real property and that they not be approved at this time. David Thompson seconded the motion. Before a vote was taken, it was clarified that if Thyssenkrupp Presta appears at the August meeting and satisfactorily clarifies the numbers, that they can be found in substantial compliance with their abatement. It was also reiterated that this motion pertained to both the real and personal property tax abatements. Upon a roll call vote of 6-0, the motion unanimously passed.

Thyssenkrupp Presta North America, LLC (Real Property) Please see prior paragraph.

Taghleef Industries, Inc. (Personal Property-2012) There was discussion about the numbers for employees and salaries were significantly lower than estimated. It was also noted that they were near the end of the abatement. Brenda Wilson made a motion to not accept the compliance form filed concerning Resolution 2012-10 for Taghleef Industries, Inc. and to send a letter asking them to appear at the August meeting of the Council for explanation. David Thompson seconded the motion. Before the vote was taken, it was reiterated that if, after the company appears at the August meeting and satisfies the Council that they are, in fact, in compliance, the abatement can continue. Upon a roll call vote of 6-0, the motion was unanimously passed.

Taghleef Industries, Inc. (Personal Property-2018-04) It was noted that this project has not yet started. A permit was filed for in March of this year to begin work. There will be no compliance statement for the real or personal tax abatements because the project has not yet started. It was noted that the original SB-1 shows the project completion to be the end of December 2020. Kylissa Miller stated that they had sent an email saying that they were behind schedule. Travis Norris made a motion that at the time Taghleef Industries appears before the Council next month regarding another abatement, that they also need to expand their explanation regarding tax abatement Resolutions 2018-04 and 2018-05. Brenda Wilson seconded the motion. Upon a roll call vote of 6-0, the motion was unanimously passed.

Taghleef Industries, Inc. (Real Property-2018-05) See above paragraph.

Saturn Petcare, Inc. (Real Property) After a brief discussion, it was felt that Saturn Petcare, Inc. was in substantial compliance. David Thompson made a motion that Saturn Petcare, Inc. was in substantial compliance. Marie Thiesz seconded the motion. Upon a roll call vote of 6-0, the motion was unanimously passed.

Saturn Petcare, Inc. (Personal Property) It was noted that the equipment line for the personal property was not put in production until late March/early April of this year, so it is not eligible for an abatement yet. Even though it was not required for them

to file a compliance form this year, Council Administrator Kylissa Miller asked them to file a compliance form anyway to avoid confusion. It is not eligible to be assessed until January 2022 for 2021. Brenda Wilson made a motion that Saturn Petcare, Inc. is in substantial compliance. David Thompson seconded the motion. Upon a roll call vote of 6-0, the motion unanimously passed.

D&D Automation, Inc. (Personal Property) Select Genetics, LLC (Personal Property) After a brief discussion, it was felt that D&D Automation, Inc. was in good shape. Travis Norris made a motion that D&D Automation, Inc. was in substantial compliance. Vicki Weger seconded the motion. Upon a roll call vote of 6-0, the motion unanimously passed.

Midwest Investments (Real Property) After a brief discussion, it was felt that Midwest Investments was in substantial compliance. Brenda Wilson made a motion that Midwest Investments was in substantial compliance. Vicki Weger seconded the motion. Upon a roll call vote of 6-0, the motion unanimously passed.

Council Administrator Kylissa Miller noted that Meridial Brick (formerly Boral Brick) had an abatement from 2006 for personal property that was still in existence. They did not file their ERA form, which would claim that they are eligible for an abatement, or submit a filing for personal property. So, unless they would file an amended return, that abatement would be at an end. The same holds true for Danisco, who also did not file any forms for personal property. So, at this point there is nothing to abate.

Ordinances relating to appropriations

i. ROC 2021-26, Salary Ordinance 2021-13: Health Department

This had been tabled from a prior meeting. WIS provided a summary of their findings regarding salaries for the position of Environmental Health Supervisor and their recommendation. The request is to amend the salary from \$44,090 per year to \$48,900 per year. The three options provided by WIS were discussed. Marie Theisz stated that it appears that the request falls within the guidelines provided by WIS. Brenda Wilson asked if it could be made retroactive. Auditor James Bramble noted that it could only be made retroactive to January 1 of this year. Brenda Wilson made a motion to approve the salary request making the salary retroactive to January 1, 2021. Brenda Wilson withdrew that motion. She then made a motion to amend Section 3 of Salary Ordinance 2021-13 to change the effective date from June 16, 2021 to January 1, 2021. David Thompson seconded the motion. Upon a roll call vote of 6-0, the motion was unanimously approved. Brenda Wilson then made a motion to approve amended Salary Ordinance 2021-13 in the amount of \$48,900 per year retroactive to January 1, 2021. Marie Theisz seconded the motion. Upon a roll call vote of 6-0, the motion was unanimously approved.

ii. ROC 2021-26, Additional Appropriation Ordinance 2021-17: Health Department

After a brief discussion, it was determined that the additional appropriation requested was sufficient to cover the Salary Ordinance just passed. David Thompson made a motion to approve Additional Appropriation Ordinance 2021-17. Travis Norris seconded the motion. Upon a roll call vote of 6-0, the motion was unanimously approved.

**iii. ROC 2021-028, Additional Appropriation Ordinance 2021-18:
Vigo County Prosecutor**

This is a request for an additional appropriation to the Return of Fugitives line item and was discussed thoroughly at the Sunshine Meeting. Council members had no additional questions. David Thompson made a motion to approve Additional Appropriation Ordinance 2021-18. Brenda Wilson seconded the motion. Upon a roll call vote of 6-0, the motion unanimously passed.

**iv. ROC 2021-029, Additional Appropriation Ordinance 2021-19:
Seized Asset Fund**

This was thoroughly discussed at the Sunshine Meeting. The Council had no additional questions. Travis Norris made a motion to approve Additional Appropriation Ordinance 2021-19. Brenda Wilson seconded the motion. Upon a roll call vote of 6-0, the motion unanimously passed.

v. ROC 2021-030, Salary Ordinance 2021-14: Clerk

This was a request to amend the classifications and salaries for the Deputy Clerks, Deputy Clerk Assistant Supervisor and Deputy Clerk Supervisor. Brenda Wilson reiterated that she felt the salaries for everyone needed to be re-evaluated. There was additional discussion. Vicki Weger stated she felt it might be good to look into other organizations that provided the same service as WIS if this type of review was going to be undertaken. David Thompson asked if this had been sent to WIS. Kylissa Miller stated that it had not because the forms, although she had received them this morning, were not signed by the employees. Once they are signed, they can be sent to WIS for review. David Thompson made a motion to send the forms, once they have been signed, to WIS for review and to table this matter to the next meeting. Brenda Wilson seconded the motion. Before the vote was taken, Travis Norris questioned that if the decision was made to pass this Salary Ordinance next month whether the salaries could be made retroactive to this date. It was stated that they could make it retroactive to last month or even back to January 1 if so desired. Upon a roll call vote of 6-0, the motion was unanimously approved.
