

NEW FROM FIRST FINANCIAL BANK

Checking with money-saving extras

It's the most convenient checking account for your everyday banking— with no monthly service charge!

FIRST PAYROLL PLUS Checking Account

Here's how FIRST PAYROLL PLUS works: Each payday, your employer electronically deposits your payroll funds into your FIRST PAYROLL PLUS checking account. A receipt containing payment information will be provided to you by your employer. You will have immediate access to your funds without making a trip to the bank. Because your employer has joined with First Financial Bank to make this account available to you, you will also be eligible for a package of cost-cutting (and time-saving) benefits that make this account the best deal around!

FIRST PAYROLL PLUS provides a great package of benefits:

- A checking account with no monthly service charge that also pays interest if a minimum balance is maintained
- A .25% rate reduction on installment loans when payments are automatically deducted from your First Financial Bank account
- A \$100 discount on home equity loan closing costs
- A \$100 discount on mortgage loan closing costs
- A FirstPlus Check Card with no annual fee
- Free online banking and bill payment
- Free safe deposit box rental for one year (maximum of \$18; subject to availability)
- A First Visa card (with approved credit)
- A higher interest rate than our standard savings product rate on a new or existing savings account
- Free periodic financial reviews
