Comment from Public or other Vigo County Representatives. Rob McMullen commented to the Board that the Air show was a success. They used the mobile command center for the 911 calls that happened within the air show geo fence. Every 911 call that came in they plotted where the 911 calls are coming in from so they were able to tend to them. They only had 3 real emergency phone calls.

Larry Robbins stated to the Board that they are closing Riley Road next week and will shut down Fruitridge Street to US 41 to do some widening work and resurfacing. Poplar Street will be shut down next week and Wallace Ave is shut down already.

There being no further comment, the Board is now recessed.
