Ok, so this might be a bit confusing. Here are the quotes for the inmate elevator and the fire alarm system at the courthouse (which also needs done to be able to pass inspection of the inmate elevator because currently the panel is showing ground fault).

LIT Corr. Rehab CONT. SERVICES 1233.33300
I think we need to make a request for additional appropriation in LIT cont. services for $133,000 to make it through the end of the year. Whatever we don't use can just go back.
The two jobs listed above in the attachment that says (LIT work still needing done 2026) totals $90,598.78. If I made no mistakes after paying my contracts throughout the rest of this year, it leaves me with only $17,702.72 and that's considering I don't spend any money the rest of the year on the jail. So, with the work still needing done in the amount of $90,598.78 that puts me at -$72,896.06 in the hole. Asking for an additional appropriation for $133,000 would leave me $60,103.94. to last the rest of the year.

CUM CAP Building Repair 1138.35450 I have attached above a copy of my personal cum cap ledger. With the work still needing completed not counting the attachment above of the(CUM CAP work still needing done 2026) I will have a bal. of $3,453.26 to last the rest of the year. In my opinion I would ask for an additional appropriation in CUM CAP for $100,000 as well and explain whatever we don't use will just go back.

Inmate elevator $550,000 1233.33300-Lit Corr Rehab and General fund 1000.33300 Can you please advertise out of both? Waiting on an opinion from SBOA if we can use LIT Correctional Rehab for the Elevator.
Courthouse fire alarm $88,554.95 1000.34730-General Fund-Fire Alarm
LIT cont. services $133,000 1233.33300-LIT Correctional Rehab-Contractual Services
CUM CAP general $100,000 1138.35450-Cum Cap-Building Repair

If any of you have any questions, please reach out. I will be out of the office next Monday 9/21/26.

This additional appropriation will cover the cost of the money previously transferred from New Equipment for a new website build and ADA compliancy. This will be used to order new PCs for the County and help us get on track with our 4-year replacement cycle. The additional money for Licensing is due to an issue with our current legacy version of (2017) Microsoft Office – we finding that it is incompatible in certain applications. This will allow for the upgrade of power users for Microsoft office products.

Subject: Oct Council

Veteran's office is requesting an additional $1,000.00 be appropriated to the Veterans Service Office travel budget for the remainder of 2026.

When the 2026 budget was prepared and submitted, the week-long Veterans Service Officer conference in Franklin, Indiana, was not an anticipated expense. Effective January 1, 2026, new State requirements were implemented requiring counties to meet State standards regarding the accreditation and training of their Veterans Service Officers. As a result of these new requirements, attendance at the week-long Franklin conference was necessary for our Veterans Service Officers to meet the required accreditation and training standards.

Because this requirement was established after the 2026 budget had already been prepared, the expenses associated with the Franklin conference were not included in the original travel appropriation.

The conference has now been completed, and the Veterans Service Office is currently $710.40 short of the funding needed to pay the remaining conference-related expenses, including per diem, lodging, and mileage.

There are also two remaining quarterly training meetings in Daviess County this year that will require additional mileage expenses. Therefore, rather than requesting only the current $710.40 shortfall, I am requesting an additional $1,000.00 for the Veterans Service Office travel budget. This will cover the outstanding Franklin conference expenses and provide funding toward the required travel for the remainder of 2026.

The Franklin conference has been incorporated into the 2027 budget so that this required training expense is accounted for going forward.

Thank you for your time,

The Honorable Vigo County Council

September 16, 2026

RE: Request for Appropriation of Funds

Dear President Ellis and Honorable Members of the Vigo County Council:

I am writing to formally request placement on the agenda for the next Vigo County Council meeting to discuss the appropriation of **$65,000.00** from the **General Fund** to the following payroll line items:

- **General Fund Payroll (1000.10010.000.0384): $65,000.00**

Additional funding for the General Fund Payroll line is necessary because the Indiana Department of Correction increased the facility's minimum staffing requirement. Previously, tl Juvenile Justice Center was required to maintain a minimum of three staff members per shift. That requirement has increased to four staff members per shift, requiring additional payroll expenses to maintain compliance and ensure the facility's safe and effective operation.

Thank you for your time and consideration. Please contact me if you need any additional information before the meeting.

Sincerely,

Andrea Moeller

RE: County Council agenda

Cc Kelly, Dan <Dan.Kelly@VigoCounty.IN.Gov>

I am adding additional info to my request at Larry Hutchings request.

On October 31, 2025 Judge Dan Kelly and I met with the County Commissioners and presented our proposal for Opioid Settlement Dollars for Mental Health Treatment Court. In December 2025, the County Council allocated $377,783 from Restricted Opioid Settlement Dollars for Mental Health Treatment Court and the Rise Team. Sixty Thousand dollars of that was for drug screens, that include opiates, for mental health treatment court participants. I have recently learned from the Indiana Office of Court Services that drug screens can be paid for by the **Unrestricted** Opioid Settlement Dollars but not from the **Restricted** Opioid Settlement Dollars. In fact, it was noted that counties that use the Restricted funds for drug screens could be fined. This new information was then shared with the County Commissioners, who consented and gave permission to present this request to the County Council.

I am requesting that the $60,000 already allocated to drug screens for the Vigo County Mental Health Treatment Court be allocated from the **Unrestricted** Opioid Settlement Dollars rather than the **Restricted Dollars**. This is not an additional request, but rather one that has already been approved in December 2025.

If you have any questions, please let me know.

Re: Vigo Superior Court 2 Family Court Project/Request for Funding

Dear Council President Ellis and Council Members,

The Vigo Superior Court 2 Family Court Project is requesting funding in the amount of Two Hundred Fifty Thousand and 00/100 Dollars ($250,000.00) to be paid out of the general fund. The request for this funding was included in the Court's annual budget seeking money through the general fund. When this Project began and for four (4) years, the Project has been paid through the general fund. For the 2026 budget year, due to financial constraints, the County Council was not able to fund the Family Court Project through the general fund, but graciously approved funding the Project through the Opioid Settlement Funds with the support of all the Commissioners. My understanding is that if the County Council approves any funding for the 2027 budget, the recommendation is that it only be from the Opioid Settlement Funds.

This is a formal request to be placed on the agenda for the meetings on Tuesday, October 6, 2026 and Tuesday, October 13, 2026. If you need more information at this time, please do not hesitate to ask.

I also kindly request permission to have five (5) to seven (7) minutes to present at both the October 6th and the October 13th meeting.

Sincerely,

Lakshmi Reddy

Re: Vigo County Drug Court – Request for Appropriation

REQUEST FOR ADDITIONAL APPROPRIATION

Vigo County Drug Court respectfully requests funding for a **Drug Court Case Manager Position for the year 2027**. The reason for the request is that a recent grant award has failed to provide enough funding to fully fund all positions for Vigo County Drug Court. This request for funds is to maintain a Drug Court Case Manager Position in order to provide continuing case management services of Drug Court participants. The Vigo County Drug Court is presenting two separate plans to address this issue.

Option 1 – Fully Funded Drug Court Case Manager Position

Expense	**Estimated Annual Cost**
Salary	$45,000.00
PERF – 14.2%	$6,390.00
FICA – 7.65%	$3,442.50
Health Insurance	$35,000.00
Total	**$89,832.50**

Option 2 – Salary-Only Funding for 2027

Expense	**Estimated Annual Cost**
Salary	$45,000.00
Total:	**$45,000.00**

We appreciate the Vigo County Council's continued support of Drug Court and its investment in effective supervision, treatment coordination, accountability, and services for Vigo County residents participating in the program.

Respectfully Submitted,
